

The Raw Fame Unleashes "Thangin" – An Independence Day Anthem Celebrating Empowered Women

Chart-Climbing Artist-Entrepreneur Drops Female Empowerment Single July 4th Across All Streaming Platforms

Raleigh, North Carolina Jul 4, 2025 ([Issuewire.com](https://www.issuewire.com)) - Rising hip-hop innovator The Raw Fame ignites summer 2025 with "Thangin," a high-octane celebration of independent women dropping July 4th on all major platforms. The Pittsburgh-born, Raleigh-based powerhouse delivers his most compelling anthem yet, transforming Independence Day into a soundtrack for female empowerment.

Fresh off collaborations with industry heavyweights YG, Philadelphia Freeway, and Big Mali, The Raw Fame channels his signature energy into championing women who are "doing their thang" – building empires, breaking barriers, and living unapologetically.

"Thangin' is my salute to every woman grinding in silence and winning out loud," states The Raw Fame. "These queens don't need validation – they're creating their own lanes. This Independence Day, we're celebrating real independence."

A Celebration of Female Empowerment

Following the success of "She Is" and his buzzworthy Big Mali collaboration, "Thangin" showcases The Raw Fame's artistic evolution while maintaining his authentic voice. The track puts a spotlight on women who have carved their own paths to success, embodying the spirit of independence that The Raw Fame champions throughout his artistic journey.

The song's infectious energy and empowering message align perfectly with his philosophy that music should serve as "a journey through life's rawest truths" – encouraging listeners to embrace authenticity and never stop chasing greatness. This theme of empowerment extends beyond music into The Raw Fame's broader artistic vision, including his fashion company Young Forever Fashions (YFF LLC).
