

The Thing Called Love Experience his Journey by Pastor Albert Young ”

Book available on all digital outlets

Philadelphia, Pennsylvania Jul 10, 2025 ([IssueWire.com](https://www.IssueWire.com)) - A Celebrated Life of Ministry, Family, and Community Now Captured in Print – With a Book Tour and New Church on the Way

Pastor Albert Young, the heart and soul behind the legendary New Redeem Church, has long been known for his powerful sermons, unwavering love for his congregation, and the way he’s uplifted lives far beyond the pulpit. Now, his story takes a beautiful new turn.

This month, Pastor Young officially released his debut book, “The Thing Called Love” a heartfelt dedication to his ministry, his wife, and his family. The book, already being praised as both spiritually rich and emotionally raw, reflects on a life led with faith, service, and love at its core.

A Legacy Written in Love

In “The Thing Called Love,” Pastor Young opens his heart like never before, sharing stories of struggle, triumph, and divine calling. From late-night hospital visits and community cookouts to quiet moments of prayer with his wife, this book is a testament to the kind of love that builds churches, heals wounds, and changes lives.

“This isn’t just my story,” Pastor Young says. “It’s a love letter to everyone who’s ever believed in something greater than themselves.” A love letter to my wife who was my rock and my partner forever and always will be my heart and soul .

Global Reach, Local Roots

Already released in over 100 countries, the book is now available on Amazon and in bookstores worldwide, bringing Pastor Young’s voice to living rooms, dorm rooms, and pulpits across the globe.

But his journey doesn’t stop at the page.

Pastor Young is gearing up for his first international book tour, where he’ll meet readers, speak to congregations, and spread the message behind his book—that love, in its purest form, is God’s greatest tool.

Building the Future in Philadelphia

In addition to his book tour, Pastor Young has also announced the construction of his largest church project yet, a brand-new sanctuary in the heart of Philadelphia, designed to welcome and serve even more families, youth, and spiritual seekers. It’s a bold step forward that continues his legacy of faith, compassion, and community leadership.

Community Reaction

“Pastor Young has always been more than a preacher,” said longtime church member Angela Rice. “He’s been a father figure to this city. This book? It’s a blessing.”

What's Next

Between the book, the tour, and the new church build, Pastor Albert Young is entering a powerful new season. But for him, it's never been about spotlight or praise. It's always been—and always will be—about love.
