

Widian Jubair, MD: A Pioneer in Comprehensive Internal Medicine Opens Celestique MD in Denver

Delivering Innovative Internal Medicine, Powered by World-Class Credentials

New York City, New York Jul 23, 2025 ([Issuewire.com](https://www.issuewire.com)) - Widian Jubair, MD, a board-certified internist with a passion for holistic healthcare, proudly announces the opening of Celestique MD in Denver, Colorado, as of August 2025. With extensive training and a commitment to evidence-based medicine, Dr. Jubair is dedicated to providing personalized care that encompasses a wide range of medical disciplines.

A native of Baghdad, Dr. Jubair began her remarkable medical journey at Anbar School of Medicine, where she earned her Medical Degree in 2006. Her academic pursuits continued at Baghdad University School of Medicine, where she completed a Doctor of Philosophy Degree through the Arab Board of Family Physicians in 2010. This strong foundation was further enhanced by a Master's Degree in Clinical/Medical Laboratory Science from Jordan University School of Medicine, undertaken between 2011 and 2013.

In the United States, Dr. Jubair's dedication to advancing her expertise led her to the University of Northern Colorado, where she earned a Master's Degree in Cellular and Molecular Biology. Her outstanding academic performance earned her the Gerald Schmidt Memorial Biology Scholarship. She pursued a Postdoctoral fellowship in Rheumatology and Immunology at the University of Colorado until 2018. Following her studies, Dr. Jubair completed her Internal Medicine Residency at Parkview Health System from 2018 to 2021.

Dr. Jubair's commitment to lifelong learning is evident in her advanced training in preventive and integrative medicine. She has completed several certificate programs at Harvard Medical School, including Lifestyle Medicine (2023), Obesity Medicine (2024), and Women's Health and Menopause (2025). These qualifications underscore her holistic approach to patient care, integrating lifestyle changes with traditional medical practices.

As a board-certified internist through the American Board of Internal Medicine, Dr. Jubair is also an active member of numerous prestigious organizations, including the American College of Physicians, the American Medical Association, Women in STEM, the National Postdoctoral Association, the Society for Mucosal Immunology, the Mucosal Inflammation Program, the American Society for Microbiology, the American Association of Immunologists, and the Iraqi Physician Association. Her involvement in various professional communities reflects her dedication to continuous education and collaboration in the medical field.

With the launch of Celestique MD, Dr. Widian Jubair aims to provide comprehensive, patient-centered care that addresses the unique health needs of individuals in the Denver area. Her vision encompasses a commitment to fostering a healthier community through innovative and inclusive medical practices.
