Wilfred Hamlet: A Licensed and Insured Certified Professional Inspector® Offering Comprehensive Home Inspection Services for Peace of Mind in Real Estate Transactions

New York City, New York Jul 29, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Hamlet Home Inspections Inc., founded by Certified Professional Inspector® Wilfred Hamlet, is proud to announce its commitment to providing

thorough and reliable home inspection services to clients in Lindenhurst, the greater Long Island region, and the five boroughs of New York City. With the backing of the International Association of Certified Home Inspectors® (InterNACHI®), Hamlet Home Inspections Inc. leverages advanced technology and industry knowledge to ensure clients make informed real estate decisions.

“Buying a home could be the largest single investment you will ever make. To minimize unpleasant surprises and unexpected difficulties, you’ll want to learn as much as you can about the newly constructed or existing house before you buy it,” says Wilfred. “A home inspection can identify the need for major repairs or builder oversights, as well as suggest preventive measures to maintain the property in good condition. Our goal is to provide clarity and confidence during this significant process.”

Wilfred brings a unique perspective to home inspections, drawing from his experience as a former realtor. This background allows him to understand the intricate relationship between real estate transactions and the vital role that home inspections play. His approach is characterized by exceptional customer service, meticulous attention to detail, and the utilization of cutting-edge tools, including thermal imaging, to reveal potential issues that may not be immediately visible.

Hamlet Home Inspections Inc. is fully certified and insured, offering clients peace of mind with InterNACHI’s \$25,000 Honor Guarantee. This guarantee assures clients that their home and belongings are secure during inspections. If any personal property is lost or stolen by an InterNACHI®-certified member who is convicted of a related crime, InterNACHI® will cover the cost of replacement, up to \$25,000.

Additionally, the company participates in InterNACHI’s “We’ll Buy Your Home” Guarantee, a unique Buy-Back Program designed for home buyers and sellers. If an inspector misses a covered item that he/she should have identified, InterNACHI® will buy the home back, subject to specific terms and conditions. This program underscores the company’s commitment to transparency and accountability, ensuring clients have confidence in their home inspection results.

Hamlet Home Inspections Inc. is recognized for its professional integrity, prompt service, and dedication to equipping both buyers and sellers with essential knowledge for their real estate journeys. With comprehensive inspection services tailored to meet the needs of clients throughout Long Island and New York City, Wilfred Hamlet and his team stand ready to help clients navigate the complexities of home ownership.
