

WPMozo Wishlist Lite for WooCommerce: A New Free Plugin to Boost Customer Engagement

The graphic features a purple background with white text and icons. On the left, a list of features is preceded by checkmarks. On the right, four product cards are shown, each with a heart icon in the top right corner, representing items added to a wishlist. The products include a 'Full Sleeve Women Jacket', a 'Red Checkered Hooded Shirt', a 'Mustard Women Sweatshirt', and a 'Men Grey Scarf'.

Jaipur, Rajasthan Jul 24, 2025 ([Issuewire.com](https://www.issuewire.com)) - Elicus is excited to announce the release of **WPMozo Wishlist Lite for WooCommerce**, a free WordPress plugin designed to enhance the shopping experience on WooCommerce stores. Available now on WordPress.org and WPMozo.com, this lightweight plugin allows customers to save their favorite products for future purchases, fostering engagement and loyalty.

Key features include:

- Seamless integration with WooCommerce
- Easy-to-use wishlist functionality for logged-in and guest users.
- Customizable wishlist button to match your store's design.

As a lite version of the premium [WPMozo Wishlist for WooCommerce](https://WPMozo.com), it offers essential features for small businesses looking to improve user experience without cost. Store owners can benefit from increased customer retention and potential sales by enabling shoppers to bookmark products effortlessly.

Download the plugin today and elevate your WooCommerce store's potential. For more details, visit WPMozo.com or contact Elicus.
