

## Xanilyn Red, DNP, RN, CCRN-CMC: A Rising Star in Acute Care Nursing

Recent DNP Graduate and Passionate Nurse Practitioner Committed to Patient Advocacy and Community Health

**New York City, New York Jul 29, 2025 ([Issuewire.com](https://www.issuewire.com))** - Xanilyn Red, DNP, RN, CCRN-CMC, an accomplished nurse and dedicated healthcare professional, is making waves in the nursing community,

having recently completed her Doctor of Nursing Practice at Rutgers University in 2025. Armed with a Bachelor of Science in Nursing from William Paterson University in 2016, Xanilyn has been a pivotal force in critical care nursing since 2017, driven by her immense passion for patient advocacy and healthcare excellence.

Currently serving as an Intensive Care Nurse at NewYork-Presbyterian Hospital since May 2023, Xanilyn delivers critical, life-saving care with precision and empathy. Her role involves working with critically ill patients, where she utilizes her extensive knowledge and clinical skills to provide top-notch care. In addition to her intensive care position, she also serves as an Ambulatory Care Nurse at Jersey City Medical Center, ensuring continuity of care for patients with diverse medical needs.

Xanilyn's commitment to professional growth is evident in her active membership in several prestigious nursing organizations, including the Sigma Theta Tau International Honor Society of Nursing, the American Association of Critical Care Nurses, and the Philippine Nurses Association of New Jersey. These affiliations reflect her dedication to lifelong learning, leadership, and service within the nursing profession.

Recognized for her outstanding contributions to nursing, Xanilyn received the William Paterson BSN Leadership Award during her academic journey, as well as a BSN Scholarship from the Philippine Nurses Association of New Jersey. Her exceptional patient care has also earned her a nomination for the esteemed Daisy Award. Most notably, Xanilyn is a two-time recipient of the Elizabeth Fenlason Scholarship Award (2023 & 2024) and was honored with the Nurses with Purpose Mission Impact Award for her meaningful contributions to global health efforts.

Xanilyn's extensive experience spans from the medical ICU to open-heart recovery, where she has found profound purpose in advocating for patients who are critically ill, marginalized, or unable to speak for themselves. Inspired by her parents, both healthcare professionals, she carries forward their legacy of dedication and compassion in her nursing practice. As she prepares to transition into the role of an Adult-Gerontology Acute Care Nurse Practitioner, Xanilyn is eager to explore new opportunities for growth as a clinician, leader, and educator.

Beyond her nursing career, Xanilyn enjoys a rich personal life filled with travel and cultural exploration. She maintains an active lifestyle through hiking, volleyball, weightlifting, running, biking, and scuba diving. Additionally, she finds joy in reading, experimenting with new recipes, journaling, and cherishing moments with loved ones.

Xanilyn Red embodies the spirit of dedication, compassion, and excellence in the nursing profession. As she continues her journey, her contributions to the field will undoubtedly inspire future generations of nurses.
