

Yotru Launches Affiliate Program with Up to 50% Commission to Expand Reach of Its AI Resume Builder

Yotru, the AI-powered resume builder for students and professionals, launches a new affiliate program offering up to 50% commission to partners helping expand access to fast, recruiter-ready resumes built in minutes.

Amsterdam, Netherlands Jul 10, 2025 ([Issuewire.com](https://www.issuewire.com)) - Yotru, the AI startup reshaping how people build resumes, has officially launched its Affiliate Program. The program allows career coaches, content creators, and online communities to earn income by sharing Yotru with job seekers.

"We are making AI more accessible to job seekers in a controlled way that improves their resume without adding bloat or fluff," said Jeffrey Huis in't Veld, Co-founder of Yotru. "The goal is to create clear, targeted resumes that are easy to read and actually work."

Affiliates earn up to 50% commission on every qualified sale. Each partner gets a unique referral link. If someone uses that link or code to make a purchase within 30 days, the sale qualifies for commission.

This 30-day period is called a cookie window. All payouts and commissions are subject to the terms outlined in the Affiliate Agreement. A "qualified sale" is defined in the Affiliate Agreement and may be subject to additional review. Yotru provides each partner with an affiliate dashboard to track clicks, sales, and earnings in real time. To help with promotion, Yotru includes banners, email templates, and social post content.

"Now we're inviting affiliate partners to be part of that mission and providing rewards based on the success they help generate," said Zaki Usman, Co-founder of Yotru.

Yotru's platform helps people build resumes using smart AI. It guides users through each step, including writing bullet points, choosing layouts, and adding the right skills. Even job seekers with little experience can create a clean, ready-to-use resume for today's job market.

Affiliate Program Highlights:

- Up to 50% commission on every qualified sale
- 30-day cookie window Real-time stats and custom referral links
- Promotional tools included (banners, email templates, and social posts)
