

Your Web Pros Expands Service Area into Illinois & Missouri with Special Introductory Pricing

Your Web Pros, a trusted full-service web design and digital marketing agency celebrating over 18 years in business, today announces a major expansion of its service footprint into Illinois and mid-Missouri.

Alton, Illinois Aug 20, 2025 (Issuewire.com) - *Your Web Pros*, a trusted full-service web design and digital marketing agency celebrating over 18 years in business, today announces a major expansion of its service footprint into **Illinois** and **mid-Missouri**. To mark the launch, the company is unveiling

exclusive **special pricing packages** tailored to small businesses, nonprofits, and individuals across these regions.

Expansion Details & Market Impact

Founded in 2007 and now based in **Jerseyville, Illinois**, Your Web Pros has delivered over **435 custom web and digital projects**, specializing in WordPress, Joomla, WooCommerce, SEO, social media marketing, and graphic design

The new expansion extends professional services throughout **Illinois** and into **mid-Missouri**, including the **St. Louis metro area**, responding to rising local demand for affordable and high-quality digital solutions

Launch Offer: Special Introductory Pricing

To welcome new clients in Illinois and Missouri, Your Web Pros introduces limited-time **discounted packages**:

- **Startup Web Package:** Custom 5-page WordPress website with mobile responsiveness at special launch rates.
- **Digital Growth Bundle:** Website redesign + basic SEO setup + 30-day setup of social media campaign.
- **Nonprofit Support Plan:** Deeply discounted pricing and flexible payment options for nonprofit organizations.

Each package includes a free **30-minute consultation**, collaborative planning, and post-launch training to ensure clients are empowered to manage and grow their online presence independently.

Why Choose Your Web Pros?

- **Local Expertise:** Deep roots in central Illinois paired with emerging presence across mid-Missouri; they understand the regional market dynamics and small business needs.
- **Client-Centered Approach:** Founded on relationship-based service where clients are treated like team members; transparency, communication, and accountability are prioritized.
- **Full Suite of Digital Services:** From bespoke website design to e-commerce development, SEO, social media marketing, and graphic design— all unified under one roof for streamlined delivery and support.

Company Vision

John Doyle, Founder of Your Web Pros, shares:

“Small businesses and mission-driven organizations in Illinois and Missouri deserve accessible digital expertise. Our expansion and the special pricing packages reflect our commitment to empowering local

entrepreneurs and nonprofits with tools for measurable growth.”

Your Web Pros’ launch in Missouri is facilitated through its **Jerseyville, IL** office, now actively serving clients throughout **mid-Missouri** and beyond—built on the same exceptional standards developed over nearly two decades in digital consulting.
