

zHealth to Spotlight Future-Ready Chiropractic Software at The WAVE 2025 Conference

zHealth brings smarter chiropractic solutions to WAVE 2025.

San Francisco, California Aug 2, 2025 ([Issuewire.com](https://www.issuewire.com)) - As chiropractic clinics seek smarter, simpler tools to grow and manage their clinic efficiently, zHealth is stepping up with transformative technology. The company will showcase its future-ready [chiropractic software solutions](#) at The WAVE Conference 2025, happening **August 1–2** at Life Chiropractic College West in Hayward, California.

You'll find zHealth at **Booth #412**, ready to redefine how chiropractic practices operate.

"This is about giving chiropractors more time to care, fewer hours on admin, and the tools to scale with ease," said Sukhi Singh, CEO and co-founder of zHealth. He further added: *"We're bringing more than just software to The WAVE, we're bringing clarity, simplicity, and real results."*

zHealth's New Feature Spotlight at WAVE

Attendees at The WAVE can explore new capabilities designed to solve real-world challenges:

- **Drag-and-Drop SOAP Notes Builder** – Personalize your clinical notes in seconds with visual tools built around your treatment style.
- **Voice Dictation** – Complete notes quickly and accurately, hands-free.
- **Multilingual Digital Intake Forms** – Serve patients in their native language from day one.
- **At-Home Exercise Video Prescriptions** – Assign rehab routines patients can follow from anywhere via the zHealth mobile app.
- **Automated Recall System** – Reconnect with patients who haven't visited in 3, 6, or 12 months.
- **Email Campaign Integration** – Send clinic updates, health tips, and newsletters, all from inside zHealth.
- **Mobile Apps for Patients and Providers** – Patient mobile app allows patients to book, reschedule, pay, and view assigned exercises. Provider app is designed to help chiropractors manage their calendar, payment, schedule, and assign exercises.

Experience It Live at Booth #412

WAVE Conference attendees are invited to experience hands-on demos, engage with the zHealth team, and see how the software adapts to practices of every size. Whether you're running a solo practice or a growing multi-provider clinic, zHealth offers the tools to simplify your day-to-day and future-proof your operations.
