

\$47 New Patient Adjustment in Traverse City at Diversified Chiropractic

Traverse City, Michigan Aug 11, 2025 ([Issuewire.com](https://www.issuewire.com)) - Residents of Traverse City and surrounding areas now have an affordable opportunity to experience high-quality chiropractic care with the **\$47 New Patient Special at Diversified Chiropractic**. This limited-time offer is developed to introduce new patients to the benefits of chiropractic care and help individuals address chronic pain, injuries, or postural imbalances—without breaking the bank.

As a trusted [chiropractor in Traverse City](#), **Diversified Chiropractic** is committed to making the health better and for the well-being of its community through non-invasive, drug-free treatments. The \$47 new patient offer includes an initial consultation, full spinal evaluation, and a first-time chiropractic adjustment—a great starting point for those seeking relief from prevalent conditions like back pain, neck pain, and injury-related discomfort.

Why Chiropractic Care Matters

Chiropractic care focuses on reinstating proper alignment of the spine and improving nervous system function. Many patients seek chiropractic adjustments for relief from a range of issues, including:

- **Back Pain**
- **Lower Back Pain**
- **Neck Pain with Headaches**
- **Auto Accident Injuries**
- **Sports Injuries**
- **Sciatica**
- **Joint Discomfort**
- **Postural Issues**

Whether you're dealing with chronic discomfort, have recently suffered an injury, or simply want to amp up your physical function, [chiropractic treatment in Traverse City](#) can help restore mobility and relieve pressure on nerves and soft tissues.

An Affordable Start to Better Health

For new patients, the financial barrier to starting chiropractic care can sometimes delay treatment. The **\$47 new patient special** from Diversified Chiropractic makes that first step more accessible. Included in the promotion:

- Comprehensive consultation
- Spinal assessment and health history review
- First-time chiropractic adjustment

This initial visit is designed to provide immediate relief while also helping patients understand the root cause of their pain or dysfunction. It's a valuable way to explore whether chiropractic care is the right fit without a large financial commitment.

Conditions Commonly Treated at Diversified Chiropractic

Diversified Chiropractic provides care for a variety of conditions that leave an impact on the spine, joints, and nervous system. Here's a closer look at the services listed under their **chiropractic care offerings**:

Back Pain & Lower Back Pain

Chronic back pain is one of the key causes of missed work and bringing down quality of life. Diversified Chiropractic uses spinal adjustments, soft tissue therapy, and personalized exercises to relieve pain and improve spinal health.

Neck Pain with Headaches

Misalignment in the cervical spine often paves the way to neck stiffness, tension headaches, and migraines. Chiropractic adjustments can ease pressure on nerves and bring down muscle tension, helping to eliminate headaches at the source.

Auto Accident Injury

Whiplash and soft tissue injuries are common following a car accident. Diversified Chiropractic offers targeted therapies to reduce inflammation, restore mobility, and accelerate healing after auto collisions.

Sports Injury

Athletes of all levels experience overuse injuries, strains, and joint issues. Chiropractic care can help amp up range of motion, decrease pain, and support faster recovery—allowing patients to return to the activities they love.

Serving Traverse City and Northern Michigan

Located conveniently in **Traverse City, MI**, Diversified Chiropractic is proud to serve patients from the neighboring Northern Michigan communities. With a welcoming, patient-focused approach, their goal is to help each individual understand the connection between spinal health and overall wellness.

Whether you're new to chiropractic or seeking a second opinion, the clinic provides clear communication, gentle care, and effective results—without surgery or prescription medications.

What to Expect as a New Patient

New patients at Diversified Chiropractic will begin with a thorough intake process, including:

- Health history overview
- Postural and spinal assessment
- Digital or physical diagnostic tests (if needed)
- One-on-one review of symptoms
- A personalized care plan

The **first chiropractic adjustment** is included in the **\$47 introductory offer**, and patients leave with a better understanding of their spinal health and a roadmap to continued care if needed.

A Trusted Chiropractor in Traverse City

Under the guidance of **Dr. Neil Jackson**, Diversified Chiropractic has built a reputation for high-quality, personalized care. The clinic ushers in patients of all ages and backgrounds, from office workers with posture-related issues to athletes, parents, and seniors looking for better mobility and pain relief.

Dr. Jackson works with patients who suffer from long-term or complex conditions and helps them achieve real results through consistent care and wellness education. Patients appreciate the clinic's transparent pricing, friendly environment, and evidence-based techniques.
