

Andriy Yuzvyak, DDS, Elevates Dental Care in Jersey City with Compassionate, Cutting-Edge Services

Combining Expertise in Prosthodontics and Community Commitment for Exceptional Patient Care

New York City, New York Aug 18, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Dental Associates of Jersey City proudly

announces its commitment to providing personalized, comprehensive dental care under the leadership of Andriy Yuzvyak, DDS. As a skilled and compassionate dentist, Dr. Yuzvyak has cultivated a family-run practice that prioritizes the needs of patients through a blend of artistry, precision, and advanced technology.

At Dental Associates of Jersey City, Dr. Yuzvyak leads a dynamic team dedicated to delivering the highest standards of care across general, cosmetic, and restorative dentistry. The practice is renowned for its exceptional dental experiences, catering to a diverse range of needs—from routine check-ups to full-mouth rehabilitations. “Our goal is to ensure that every patient leaves our office with a smile they can be proud of,” said Dr. Yuzvyak. “We believe in a tailored approach that considers each patient’s unique needs and preferences.”

As a testament to their dedication to patient accessibility, Dr. Yuzvyak and his fiancée, who serves as both the practice’s hygienist and co-manager, have implemented weekend hours, allowing them to accommodate patients with busy weekday schedules. This commitment to community care ensures that everyone can receive the dental services they need without sacrificing their other commitments.

Dr. Yuzvyak is a strong advocate for digital dentistry, employing cutting-edge technologies such as 3D printing and fully guided implant placement protocols. He has innovated his protocol for full arch rehabilitation using magnet stackable guides, highlighting his passion for enhancing the quality of life for his patients through prosthetic and implant rehabilitation. “I am dedicated to improving my patients’ oral health and overall well-being,” he explained. “I aim to provide comprehensive care that ranges from limited to extensive treatment options.”

A graduate of Touro College of Dental Medicine, Dr. Yuzvyak was distinguished for his academic excellence, graduating with top honors in Prosthodontics and Endodontics. He further honed his skills within the Jonathan and Maxine Ferencz Advanced Education Program in Prosthodontics at NYU College of Dentistry, where he completed his specialty training in Prosthodontics and received the prestigious Harold Litvak Award for his exceptional performance.

Dr. Yuzvyak is actively involved in several professional organizations, including the American Dental Association, the American Student Dental Association, the American College of Prosthodontists, the Global Institute for Dental Education, and the International Congress of Oral Implantologists. His commitment to education extends beyond his practice; he serves as an Associate Clinical Professor at NYU College of Dentistry, where he shares his expertise with aspiring dental professionals.

In addition to his role at Dental Associates of Jersey City, Dr. Yuzvyak continues to provide care at Elmora Dental Associates, further demonstrating his commitment to expanding patient access to quality dental care. His dedication has not gone unnoticed; he has received numerous accolades, including the Gary Goldstein Award of Excellence from NYU College of Dentistry in 2025.

Outside of his professional commitments, Dr. Yuzvyak gives back to the community as a volunteer dentist with the Dental Lifeline Network. In his downtime, he enjoys playing volleyball and guitar, and finds inspiration during his vacations in Mexico, where he seeks relaxation and rejuvenation.
