

# AORBIS Inc Announces the Availability of Masks and Personal Protective Equipment at Aorbis.com

AORBIS Inc. a reliable supplier of doors, hardware, and toilet & bath accessories announces availability of masks and PPE during this critical time of COVID-19 Pandemic.

**East Hartford, Connecticut Aug 25, 2025 ([IssueWire.com](https://www.issuewire.com))** - AORBIS Inc. provides Procurement as a Service (PaaS) to AEC industry for the building products, materials, and services. In this hour of need when there is shortage of masks and PPE (Personal Protective Equipment), AORBIS is leveraging its procurement expertise to source a range of masks and PPE from handpicked certified manufacturers and making it available for an online purchase.

Chirag Thaker, President of AORBIS Inc. said, "There is no higher duty than serving the nation in times of need. We decided to leverage our procurement expertise to procure high-quality masks and construction-related personal protective equipment (PPE) which we are making available not only to AEC industry but to everyone. If we can save even a few lives with our initiative, it will be a great service to the nation".

The KN95 mask have the filtration efficiency of  $\geq 95\%$  for non-oily particles. The KN95 masks meets the KN95 level requirement of (GB 2626-2006) which validates it as a disposable respiratory protective mask. The coverall (protective clothing) comes with elastic band on cuff, hood, and bottom of trouser to provide better protection and free movement. Also, the extra tape on seam and needle holes provides improved protection.
