

Balbinder Johal Launches 24/7 Free Consultation for Site Services Across BC

Balbinder Johal, founder of Balbinder Johal Site Services, has introduced a new 24/7 free consultation program designed to make construction and site service planning more accessible for homeowners, developers, and business owners.

Balbinder Johal Construction

Since 2007

Vancouver, British Columbia Aug 6, 2025 ([IssueWire.com](https://www.IssueWire.com)) - With the new 24/7 free consultation program, clients can now discuss project ideas, timelines, and feasibility with Balbinder Johal's team before work begins—helping them make informed decisions and

avoid costly mistakes.

“We’ve built our reputation on trust and accessibility,” says Johal. “With this round-the-clock consultation service, we’re giving people a chance to start their projects with clarity and confidence—no matter the time of day.”

Comprehensive Services for Every Project

[Balbinder Johal](#) Site Services has earned a strong reputation throughout Vancouver and the Lower Mainland by delivering **quality craftsmanship and dependable service**. The company’s offerings include:

- Retaining walls and creative hardscaping
- Paving stones and outdoor landscape design
- Excavation and site preparation
- Custom home building
- Property demolition and grading
- [Snow removal](#) and seasonal property care

Strengthening Communities in BC

Balbinder Johal has built his career on **innovation, high standards, and community values**. This initiative reflects his vision of making professional advice accessible while helping British Columbians bring their ideas to life.

“We see every project as more than construction,” Johal adds. “It’s about building trust, improving spaces, and leaving a positive mark on the community.”
