Jorhat, Assam Aug 28, 2025 ([Issuewire.com](https://www.issuewire.com)) - Hold on to your popcorn, because the Assamese Film Industry (Jollywood) is gearing up for a debut that's already got insiders buzzing and fans talking - and it's **not** your typical star kid story.

Meet **Siddharth Sharmaa** - a complete outsider, a mystery man, and maybe, just *maybe*, Jollywood's next big thing!

Word on the street is that **Krishna Kraft Productions**, is secretly working on a project that will

introduce Siddharth as the *new romantic lead* on the block. And guess what? **He's not from a film family, has zero connections in the film industry, and no God Father, no Filmi background whatsoever.**

But here's the plot twist! As per the sources, this guy isn't just good-looking - he's **a legit PhD scholar in Artificial Intelligence.** Yeah, you heard that right!

And if that doesn't pique your curiosity, get this - **Siddharth's Instagram (@thesiddsharmaa)** is completely *private*. No debut look, no selfies, no film teasers. Just radio silence. Just a bio: "Stories are infinite & I choose to live mine". And we all know what that really means: **"Something BIG is cooking."**

"Siddharth Sharmaa is a kind of guy people are watching *very* closely," an industry insider revealed. "No godfather, he is not a product of **NEPOTISM** - just raw talent, insane discipline, and a mysterious vibe that's getting everyone talking."

Some reports hint that Siddharth is from Jorhat and currently is based in Bangalore. He's being prepped for a sleek, modern love story that blends emotion, intellect, and youthful charm - *a total game-changer* for Assamese Movies. If that's true, Siddharth Sharmaa might just be **Jollywood's answer to Bollywood's outsider success stories.**

And let's be honest - we're living in an era where **mystery sells**. The fact that Siddharth hasn't posted a single glimpse yet has fans *dying* to know more. Who is he? What does he look like in character? And when is the big reveal finally happening?

One thing's for sure - if you're not already following **@thesiddsharmaa** on Instagram, you're going to be *late to the party*. Because once this debut drops, **everyone's going to be talking about him.**

So go ahead - hit that follow button, stay tuned, and prepare to witness the rise of a **new kind of star.**

Because Siddharth Sharmaa isn't just entering the film industry - as he said **he's living his story.**
