

Builderall Launches Shopify App: One-Click Email Automations and Social Proof for Merchants

Miami, Florida Aug 23, 2025 ([Issuewire.com](https://www.issuewire.com)) - Builderall, the all-in-one growth platform for small businesses and creators, today announced the launch of its new Shopify app, now available in the Shopify App Store. The app delivers instant email automations and social proof features that Shopify merchants can enable with just one click—making it the easiest way to boost engagement and sales.

“At Builderall, our mission is to make growth tools accessible to every entrepreneur,” said Pedro Sostre, CEO of Builderall. “Shopify merchants don’t have time for complex setups. With this app, you turn on powerful automations and social proof in seconds—no coding, no integrations, just results.”

Key Features of the Builderall Shopify App:

- One-Click Email Automations:
 - Top Sellers Email: Automatically send a weekly email highlighting your best-selling products.
 - New Products Email: Automatically send a monthly email featuring new arrivals.
- Social Proof Popups:
 - Show real-time notifications of recent purchases.
 - Highlight product reviews and recommendations.
 - Offer coupons and related products at checkout.

The app is designed to help merchants increase trust, engagement, and repeat sales without additional subscriptions or complicated workflows.

The Builderall Shopify App is now available at: <https://builderall.com/>

“This is just the beginning,” added Sostre. “We’re making the path from first sale to repeat customer as simple as possible. With one click, Shopify store owners can now unlock the kind of automations that usually take hours—or even weeks—to set up.”
