

Cardinal Moving Wins Consumer Choice Award for Best Moving Company in the Durham Region

Award recognizes business excellence and consumer trust across the region

Durham, Ontario Aug 16, 2025 ([Issuewire.com](https://www.issuewire.com)) - Cardinal Moving is proud to announce it has been named the 2025 **Consumer Choice Award** winner for [*Best Moving Company in the Durham Region*](#), recognizing the company's excellence in service, customer satisfaction, and brand reputation.

"Earning the Consumer Choice Award for the entire Durham Region is a proud recognition for our team. It's validation that our standard of service stands out across every city we serve in Durham," said **Myles Baldwin**, co-owner of Cardinal Moving. "We are deeply thankful to the customers who trust us with their most important moves and to the community for this incredible honour."

The **Consumer Choice Award** was established in 1987 with the sole purpose of recognizing business excellence among small and medium-sized businesses. It remains the only organization in North America to use statistically supported, independent market research to determine brand reputation, customer satisfaction, and overall business excellence. Winners are determined through the organization's exclusive Four-Step Ranking Process—driven entirely by consumer opinion rather than a panel of judges—making this recognition a true reflection of public trust.
