

CloudKleyer Launches Operations in Malta with a New Office

Frankfurt, Hessen Aug 24, 2025 ([Issuewire.com](https://www.issuewire.com)) - On November 20, 2024, **CloudKleyer Frankfurt GmbH**, a German IT services company, expanded its presence by opening a new office in Malta under the name **CloudKleyer Malta Ltd**. The branch is based in a [Tier 3-certified data center](#), offering secure infrastructure capacity. A skilled team of German engineers and network specialists is now available to deliver tailored IT solutions for clients in Malta.

This expansion represents an important step in CloudKleyer's international growth strategy. The company, recognized for its expertise in iGaming, finance, and e-commerce, is now positioned to provide infrastructure services directly within Malta's regulated business landscape. Clients can expect the same high level of service quality that defines the CloudKleyer brand.

Malta has become a hub for iGaming thanks to its robust legal framework and the established Malta Gaming Authority (MGA) licensing system. The island also provides attractive benefits such as efficient taxation, EU market access, and a streamlined company setup process.

CloudKleyer Malta Ltd supports clients with complete solutions, including:

- Assistance with documentation and licensing consultancy

- Operational setup via a local Maltese entity
- Supply and logistics of hardware
- End-to-end IT system deployment
- Proactive server monitoring and maintenance

In addition to iGaming, CloudKleyer serves a wide range of industries that require advanced IT infrastructure. The Maltese branch provides:

- Tier 3 data center services
- Dedicated server, VPS, and network equipment rental
- Server migration and equipment relocation
- High-speed connections to the internet and cloud platforms
- Deployment of hybrid and private corporate networks
- Advanced cybersecurity services

With over a decade of experience, CloudKleyer is known for its responsiveness, reliability, and consistent service standards across all its locations.
