

Corey Perry Joins Compound Initiatives as Stop The Bleed Instructor Trainer

Enhancing Emergency Preparedness Through Expert Training

New York City, New York Aug 28, 2025 ([Issuewire.com](https://www.issuewire.com)) - Compound Initiatives is pleased to announce that Corey Perry, MSc, BSc, PgDip, DTN, FAWM, NRP, DMT, has officially taken on the role of Stop The Bleed Instructor Trainer with the organization. With a robust educational background and a wealth of experience in emergency medical services, Corey will play a vital role in advancing the mission of Compound Initiatives to empower communities with critical life-saving skills.

Corey Perry completed a Master of Science in Expedition & Wilderness Medicine at the University of South Wales in March 2025. His academic credentials also include a Postgraduate Diploma in Expedition & Wilderness Medicine and a Postgraduate Diploma in Tropical Nursing from the prestigious London School of Hygiene and Tropical Medicine. Moreover, Corey holds a Bachelor's degree in Emergency Medical Care from Eastern Kentucky University, where he honed his skills in various aspects of emergency response and patient care.

As a Stop The Bleed Instructor Trainer, Corey will lead initiatives aimed at educating individuals and organizations on how to effectively manage traumatic bleeding. This program is particularly crucial in environments where immediate medical assistance may not be readily available. By training community members, healthcare professionals, and first responders, Corey aims to enhance the overall safety and preparedness of the community.

"Teaching others how to respond effectively in emergencies is not just a job for me; it's a passion," said Corey Perry. "I am excited to contribute to Compound Initiatives and help empower individuals with the knowledge and skills necessary to save lives during critical moments."

Compound Initiatives is dedicated to creating programs that foster resilience and preparedness within communities. With Corey's extensive knowledge and experience, the organization is well-positioned to expand its educational outreach and impact more lives through the Stop The Bleed program and other emergency preparedness initiatives.
