

Decorguys Crosses 400+ Turnkey Home Interiors in Bengaluru with Sustainable Design

Bengaluru-based interior design firm scales to 400+ residential projects with in-house manufacturing and eco-conscious practices

Bengaluru, Karnataka Aug 7, 2025 ([Issuewire.com](https://www.issuewire.com)) - Decorguys, a premium Interior design Company under Bigger & Bigger Home Solutions, has successfully completed over 400 turnkey residential interior projects across Bengaluru.

Founded in 2022, the brand has quickly scaled to become a trusted name for full-service interiors in one of India's fastest-growing housing markets. Operating from a 14,000 sq. ft. in-house manufacturing facility, [Decorguys](https://www.decorguys.com) delivers end-to-end interior design, custom furniture, and on-site execution through an integrated model tailored for residential, commercial, and hospitality spaces.

"From day one, our goal has been simple: make interiors stress-free, sustainable, and stunning," said Santhosh Kumar P, Founder of Decorguys and a veteran with over 12 years of experience in construction and design, having started his journey in 2013.

About the Milestone

- **Date of 400th project completion:** July 2025
- **Time taken to reach 400 projects since launch:** Within 3 years

- **Types of homes completed:** Apartments, villas, and builder-developer projects
- **Nature of projects:** Full turnkey interiors (design, manufacturing, installation)
- **Typical project duration:** 30 to 45 days for interiors; 6 to 18 months for construction

Team & Process

- **Team size:** 20 full-time professionals including designers, engineers, and project managers
- **Project capacity:** Up to 100 projects per month
- **Production output:** 14,000 boards per month from in-house facility

Standard turnkey process:

- Space planning and layout design
- Design execution and project management
- Custom furniture manufacturing
- On-site installation and handover

Key Differentiators

- In-house manufacturing facility for precision, scalability, and quality control
- Early coordination with construction ensures smooth execution
- Sustainability built into materials and execution
 - Eco-conscious boards and non-toxic finishes
 - Optimized space-saving designs that reduce waste

- Ideal for high-end residential and commercial projects requiring seamless integration

Client Success Story

Client: Mr. Praful

Location: Apartment in Bangalore

Highlights:

- Secondary kitchen built into the balcony for enhanced utility
- Space-saving furniture including a custom sofa-cum-bed
- Smart layout that optimized space for compact urban living

“They felt more like a partner than a vendor. The team respected our ideas, gave us clarity, and executed exactly what was promised.”
