

Distinguished Chiropractor Dr. Christopher R. Greene, D.C. Joins Prime Medical Evaluators

As a Qualified Medical Evaluator and Subject Matter Expert

Los Angeles, California Aug 11, 2025 ([Issuewire.com](https://www.issuewire.com)) - **Prime Medical Evaluators** proudly announces the addition of **Dr. Christopher R. Greene, D.C.**, a highly accomplished chiropractor and nationally recognized educator, to its distinguished network of Qualified Medical Evaluators (QMEs). With over 35 years of clinical experience and an extensive background in healthcare regulation, compliance, and education, Dr. Greene brings unparalleled expertise to California's workers' compensation and med-legal systems.

Dr. Greene earned his Doctor of Chiropractic degree from **Los Angeles College of Chiropractic** in **1988** and holds a Bachelor of Science in Biological Sciences from the **University of California, Irvine**. He is currently licensed to practice in California and holds a Qualified Medical Evaluator certification from the California Department of Industrial Relations, effective **May 2025**.

Throughout his career, Dr. Greene has maintained a dual commitment to patient care and public service. He operated **Corona Hills Chiropractic** in Corona, CA for nearly two decades and later led **Greene Chiropractic** in Durango, CO. He currently practices in Orange, CA with **The Joint Chiropractic**.

Dr. Greene is also an accomplished **medical coding and compliance professional**, holding multiple certifications through the **American Academy of Professional Coders**, including:

- Certified Documentation Improvement Expert-Outpatient (CDEO)
- Certified Professional Medical Auditor (CPMA)
- Certified Professional Compliance Officer (CPCO)

His extensive work as an expert consultant and board-approved practice monitor has been instrumental to state regulatory boards across the country, including Colorado, Wyoming, Arizona, and California. He currently serves as a chiropractic expert consultant to the California Department of Consumer Affairs, providing expert case reviews, testimony, and regulatory guidance.

Dr. Greene has served as a **court-accepted expert witness** for both civil and criminal cases in multiple jurisdictions across California and Colorado and is often called upon for matters involving **motor vehicle crash reconstruction and low-speed rear impact collisions**.

In addition to his clinical and legal-medical expertise, Dr. Greene is a respected **educator and keynote speaker**. He serves as a faculty instructor for **PBI Education**, where he teaches professional boundaries and communication to healthcare professionals. He has delivered presentations at major conferences hosted by:

- The **California Chiropractic Association**
- The **Federation of Chiropractic Licensing Boards (FCLB)**
- The **Federation of State Medical Boards (FSMB)**
- The **Federation of Associations of Regulatory Boards (FARB)**
- And various state licensing boards and healthcare regulatory agencies

Notably, Dr. Greene is a national thought leader on **trauma-informed healthcare regulation**, a topic on which he has presented to executive officers at the **California Department of Consumer Affairs** and the **California Board of Chiropractic Examiners**. His presentations are known for blending clinical expertise with deep insights into regulatory best practices, making him a sought-after speaker in both medical and legal circles.

“Dr. Greene represents the gold standard in med-legal evaluation,” said Eduardo Passi Nam, Director of Operations at Prime Medical Evaluators. “His unique background as a clinician, educator, compliance expert, and regulatory advisor is a rare combination that will serve injured workers, attorneys, and the broader system with clarity, professionalism, and integrity.”

Dr. Greene is a member of the **American Chiropractic Association**, the **California Chiropractic Association**, and the **American Academy of Professional Coders**.
