

Dr. Aparna Basu: Hematology-Oncology Expert Bringing Hope at Grand Itasca Clinic & Fairview Range Medical Center

Empowering Patients with Compassionate, Evidence-Based Cancer Care

New York City, New York Aug 14, 2025 ([Issuewire.com](https://www.issuewire.com)) - Grand Itasca Clinic & Hospital and Fairview Range Medical Center proudly announce the continued presence of Dr. Aparna Basu, a board-certified hematologist-oncologist renowned for her commitment to patient-centered care and clinical excellence. With over 14 years of experience, Dr. Basu specializes in the treatment of breast and genitourinary cancers, as well as complex hematologic conditions, providing comprehensive care tailored to the unique needs of each patient.

Dr. Basu earned her medical degree (MBBS and MD) from Coimbatore Medical College in Tamil Nadu, India. She further honed her expertise through residency training at Mercy Catholic Medical Center and completed a fellowship in hematology-oncology at Henry Ford Hospital. Her impressive qualifications include board certifications in Internal Medicine, Hematology, and Medical Oncology, enabling her to deliver the highest standard of care to her patients.

Recognizing that cancer treatment is often a challenging journey, Dr. Basu approaches each case with empathy, ensuring that patients and their families feel supported and informed every step of the way. “My goal is to empower patients by providing them with evidence-based treatment options while fostering an environment of collaboration and understanding,” Dr. Basu stated. “I believe that healing extends beyond just the physical aspects of care; it involves addressing emotional and psychological needs as well.”

Dr. Basu admits patients to both Grand Itasca Clinic & Hospital and Fairview Range Medical Center, ensuring seamless continuity of care across inpatient and outpatient settings. Her dedication to accessible healthcare is further demonstrated by her commitment to multilingual support, as she is fluent in English, Gujarati, Hindi, and Bengali. This ability allows her to connect with a diverse patient population, breaking down barriers and enhancing communication during critical treatment discussions.

In addition to her clinical practice, Dr. Basu offers telemedicine services, expanding her reach and providing care to patients who may face challenges in accessing traditional medical facilities. This innovative approach underlines her belief that quality healthcare should be accessible to everyone, regardless of their circumstances.
