

Dr. George Guirguis: A Leader in Maternal-Fetal Medicine at Richmond University Medical Center

Elevating High-Risk Pregnancy Care and Enhancing Perinatal Medicine

New York City, New York Aug 26, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dr. George Guirguis, a highly respected Board-Certified Obstetrician-Gynecologist and Maternal-Fetal Medicine specialist, has taken on the roles of Director of Obstetrics and Associate Director of Maternal-Fetal Medicine at Richmond

University Medical Center. With national and international acclaim for his contributions to high-risk pregnancy care and advancements in perinatal medicine, Dr. Guirguis is set to make a significant impact on the health and well-being of mothers and their newborns in the community.

Dr. Guirguis began his medical journey at the Lake Erie College of Osteopathic Medicine, where he earned his Doctor of Osteopathic Medicine degree. He then completed his residency in Obstetrics and Gynecology at Atlantic Health System–Morristown Medical Center, followed by a fellowship in Maternal-Fetal Medicine at Rutgers New Jersey Medical School. His extensive training and experience have equipped him with the skills necessary to navigate the complexities of high-risk pregnancies and to provide exceptional care tailored to the unique needs of each patient.

At Richmond University Medical Center, Dr. Guirguis leads a dedicated team of healthcare professionals committed to delivering compassionate, state-of-the-art care for expectant mothers, particularly those facing high-risk conditions. His innovative approach and emphasis on patient-centered care aim to improve outcomes for both mothers and babies, ensuring a healthier start to life for all newborns.

"I am honored to lead the Obstetrics and Maternal-Fetal Medicine departments at Richmond University Medical Center," said Dr. Guirguis. "My mission is to provide comprehensive care to all our patients, especially those with complex pregnancies, and to collaborate with our team to advance the standards of maternal-fetal medicine."

In addition to his clinical practice, Dr. Guirguis is an active member of several professional organizations, including the American College of Obstetricians and Gynecologists, the Society of Maternal-Fetal Medicine, and the American College of Surgeons. His ongoing engagement in these professional communities allows him to stay at the forefront of medical advancements and best practices in maternal-fetal care.
