Transforming Lives Through Advanced Spinal Treatments for Adults and Children

New York City, New York Aug 27, 2025 ([IssueWire.com](https://www.issuewire.com)) - Dr. Raymond F. Topp, FAAOS, an internationally recognized leader in spinal medicine and surgery, is making significant strides in the treatment of complex spinal conditions for both adults and children. With over 25 years of military and medical experience, Dr. Topp is dedicated to providing innovative, personalized care for patients suffering from a wide range of spinal disorders, including disc degeneration, scoliosis, spinal stenosis, and more.

Dr. Topp earned his Doctor of Medicine from the Uniformed Services University of the Health Sciences F. Edward Hebert School of Medicine in 1997 and completed his Orthopaedic Surgery Residency at the San Antonio Uniformed Services Health Education Consortium (SAUSHEC) in 2003. He is board-certified and fellowship-trained, showcasing his extensive clinical knowledge and surgical expertise.

A retired Lieutenant Colonel with the United States Army, Dr. Topp served honorably for 24 years, including multiple deployments in support of Operations Desert Shield, Desert Storm, and Enduring Freedom. His military career is marked by numerous leadership roles, including Chief of Spinal Surgery at Brooke Army Medical Center, where he honed his skills in treating traumatic spinal injuries. His exemplary service earned him prestigious awards such as the Purple Heart, two Bronze Stars, and the Legion of Merit.

In 2012, Dr. Topp founded Topp Spine and Orthopaedics, where he continues his mission of improving patient outcomes through advanced spinal solutions. His clinic is known for its patient-centered approach, offering tailored treatment plans that incorporate innovative surgical techniques and cutting-edge technology. Dr. Topp believes in empowering patients through education and active participation in their care, ensuring they understand their options and are involved in the decision-making process.

Dr. Topp's commitment to excellence in spinal care has earned him a reputation not only as a skilled surgeon but also as a compassionate advocate for his patients. As he continues to push the boundaries of spinal medicine, Dr. Topp remains focused on enhancing the quality of life for those he serves.
