

Dr. Renu Joy, MD, Brings Global Experience and Compassionate Care to Bayhealth

Board-Certified Anesthesiologist with Global Expertise and a Patient-Centered Approach at Bayhealth Medical Center

Dover, Delaware Aug 28, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dr. Renu Joy is a highly accomplished anesthesiologist currently serving as a Staff Anesthesiologist at Bayhealth Medical Center in Delaware.

With a career spanning over a decade and rich international experience, Dr. Joy combines clinical excellence with a deep commitment to patient-centered care.

She completed her residency in Anesthesiology at NewYork-Presbyterian Brooklyn Methodist Hospital, affiliated with Weill Cornell Medicine, where she trained in a fast-paced, diverse clinical setting from 2020 to 2024. Before that, she completed her internship in Internal Medicine at Metropolitan Hospital, part of NYC Health + Hospitals and New York Medical College.

Dr. Joy is a board-certified anesthesiologist in both India and the United States, having earned her U.S. board certification in April 2025. She holds a Doctor of Medicine (MD) in Anesthesiology from the prestigious M.S. Ramaiah Medical College in Bangalore and obtained her Bachelor of Medicine, Bachelor of Surgery (MBBS) degree from Government Medical College in Thrissur, India.

Her professional journey includes various clinical and observer roles across top institutions in the United States, such as the University of North Carolina at Chapel Hill, Mount Sinai Medical Center, Larkin Community Hospital, and Novant Health Presbyterian Medical Center. These roles helped her gain valuable exposure to pediatric anesthesiology, internal medicine, cardiology, and palliative care in diverse patient populations.

Dr. Joy is ECFMG-certified and holds an active Delaware State Medical License, along with DEA and CSR licensure. She is also certified in ACLS, PALS, BLS, and Comprehensive Trauma Life Support (CTLS).

In addition to her clinical roles, Dr. Joy is a published researcher and active academic contributor. Her research has been featured in journals such as *Anesthesia: Essays and Research* and *Journal of Evolution of Medical and Dental Sciences*. She has presented at numerous national and international conferences, including ISACON and Metropolitan Research Day in New York.

Dr. Joy holds memberships in several professional organizations, including the American Society of Anesthesiologists, Delaware Society of Anesthesiologists, AAPI, and the Indian Society of Anesthesiologists, among others.

Outside the operating room, Dr. Joy has been deeply involved in volunteer and community health work, particularly in palliative care, AIDS awareness, and public health outreach in India. She has also received multiple awards, including the Best Paper Presentation Award at a national anesthesiology conference in India, the Academic Excellence Award, and the Critical Care Excellence Award.

Fluent in English, Malayalam, Hindi, and Kannada, Dr. Joy is also a passionate singer, dancer, and philatelist. She once represented Kerala State in India's National School Games for Tennis and has even won recognition as Best Actor in school drama competitions.

Dr. Renu Joy is admired for her calm demeanor, technical precision, and compassionate approach to care. Her commitment to excellence, lifelong learning, and global medical service continues to make her a valued contributor to the field of anesthesiology.
