Cairo's Dedicated General Surgeon Offers Appointment-Based Services to Enhance Patient Access

New York City, New York Aug 28, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dr. Stephen Floore, a well-respected general surgeon with extensive experience and expertise in abdominal surgery, is pleased to announce that he is now offering appointment-based services to better serve the needs of his patients in Cairo and the surrounding areas. This new approach will allow Dr. Floore to provide more personalized care and ensure that patients receive timely surgical consultations and treatments.

Dr. Floore has been a vital part of the Cairo medical community, specializing in surgeries involving the esophagus, stomach, liver, gallbladder, pancreas, and thyroid glands. His comprehensive training and adeptness in handling a wide range of surgical emergencies make him a trusted resource for patients in need of critical care. With the ability to deal with a variety of surgical and trauma cases, Dr. Floore is dedicated to delivering high-quality surgical services to gravely ill or injured patients.

Dr. Floore earned his medical degree from the Universidad Autónoma de Guadalajara in 1973 and has since built an impressive career characterized by a steadfast dedication to his patients. He holds active memberships in the American Medical Association and the Medical Association of Georgia, which keeps him informed about the latest advancements in medical practices and surgical techniques.

By transitioning to an appointment-only practice, Dr. Floore aims to enhance the patient experience by minimizing wait times and ensuring that each patient receives the focused attention they deserve. This change reflects his commitment to providing exceptional care tailored to individual needs, allowing for better management of surgical consultations and follow-up appointments.
