Earthdance Marketplace:

This year also brings fresh energy to the **Earthdance Marketplace**, where new drops will feature collaborations with conscious brands and artisans from around the world– a place to find one-of-a-kind items that carry the same spirit of creativity and connection as the festival itself.

We're especially excited to highlight a new partnership with **Reprezent Clothing Company**– a visionary brand created by our good friend Sean Armstrong. Now featured on the marketplace, **Reprezent's Zuvuya line** celebrates the convergence of ancient Mayan wisdom and modern streetwear innovation, offering high-quality, one-of-a-kind, artisan-made jackets that carry a story, a culture, and a vibration.
