

# Elevating Park Model Living: Overland Park Models Unveils Exclusive Creekside Cabin

The Creekside Cabin showcases a balance of practicality and style, featuring energy-efficient construction, modern interiors, and versatile living spaces designed to bring comfort to outdoor-inspired lifestyles.

**Mesa, Arizona Feb 1, 2026 ([IssueWire.com](https://www.IssueWire.com))** - Overland Park Models proudly introduced the arrival of its newest showcase, the Moss Overland Exclusive Creekside Cabin. Combining rugged charm with modern refinement, this park model offers an ideal retreat for nature lovers who value comfort and style.

## Built for the Soul of Outdoor Living

The [Creekside Cabin](#) features a full-length covered porch with cable railing, designed to maximize outdoor enjoyment in all seasons. Inside, the layout includes a washer/dryer, walk-in closet, and loft space, offering functionality in a compact footprint. The interior finishes, which include shiplap paneling, solid surface countertops, and stainless steel appliances, bring a modern touch to the cabin's rustic appeal.

Every design choice speaks to its purpose: to make the great outdoors feel like home, without sacrificing comfort. Whether as a cozy weekend escape or a full-time residence, this cabin delivers a harmonious balance of function and aesthetics.

## A Collaboration With Cavco

Overland Park Models' newest Creekside Cabin is built by Cavco, a manufacturer known for durable, energy-efficient park models. The design offers flexibility for seasonal living, vacation properties, or year-round residences.

### Key Features:

- Covered porch with cable railing for outdoor seating and dining
- Washer/dryer and walk-in closet for added convenience
- Loft area for sleeping or storage
- Shiplap interior walls and solid surface countertops
- Stainless steel kitchen appliances

Overland Park Models also offers other varieties of [Cavco park models for sale](#), designed to fit different lifestyles, locations, and budgets. Their park model homes are available for in-person tours during regular business hours.
