standing out there takes more than talent. Artists need strategic marketing to get noticed, and that is where **The Tunes Club** helps. Known for affordable and reliable promotion, the company helps musicians grow their audience. To celebrate the month of August, **The Tunes Club** is offering a **flat 15% discount** on all promotion packages **from 20th to 30th August**. It is the perfect time to give your music the boost it needs while saving money. For artists who are aiming to expand their fan base, this limited-time offer is their chance to take the next step.

**The Tunes Club** plans every promotion package with care, making sure it is both organic and effective. The music marketing company helps artists grow by getting their songs placed on curated Spotify playlists. This brings the artists more exposure and attention to their entire music catalog. The platform also offers **content and social media marketing**, which increases streams organically and helps reach new listeners outside Spotify. What sets The Tunes Club apart is its affordable pricing. Its [Spotify Promotion Services](#) are budget-friendly, giving independent artists a real chance to grow without spending too much on music promotion. With an upcoming sale, the value gets even better for artists. If they are looking to build a strong fan base and boost their plays, now is the perfect time. This limited-time offer gives clients the marketing push they need to move ahead. So, don't miss this chance to promote music with effective strategies while keeping the budget in check.

The Tunes Club has years of experience in music promotion, helping artists grow their reach across the world. Known for strong Spotify campaigns, the company supports artists at every stage. It offers four different packages, giving musicians the freedom to choose based on their goals. One top pick is the 'Spotify Marketing Package'. It is designed to promote a single track. The song is placed on over 60 curated playlists, reaching around **3,000 to 3,500 listeners**. It also includes social media promotion across Facebook, Instagram, Twitter, and Pinterest, where the brand has over 100k followers. Artists get a full report at the end of the campaign. Another great option is the 'Spotify Promotion Pack', which promotes two tracks and adds them to 90 or more playlists. This package also includes a paid press release and social media sharing. It reaches up to **7,500 listeners**. With flexible plans and solid results, The Tunes Club is a reliable pick for serious music promotion.

The third package from The Tunes Club is the 'Spotify Marketing Pro Pack', designed to promote up to three songs. These tracks are added to over 120 curated playlists, reaching around **10,000 to 11,000 listeners**. It also includes a press release and a feature on a music blog to boost visibility. The biggest option is the 'Spotify Promotion Pro Pack'. This one promotes up to four tracks, placing them in over 180 playlists. It helps artists connect with the right audience by focusing on genre and style. The package reaches **14,000 to 15,000 listeners** and comes with a **paid press release**, a **blog feature**, and an **artist review**. Both packages aim to maximize reach and grow real fans.

Every campaign from The Tunes Club comes with a full report, so artists can see how their music is growing. Now, there is even more value. All promotion packages will be available at a **15% discount** during the upcoming sale. Mark your calendar; the sale runs from **August 20 to 30**.
