

Enoh Ukpong: Celebrating a Lifelong Passion for Nursing Education and New Literary Accomplishment

Retired Professor of Nursing at Anna Maria College Publishes Inspiring Book on Drive, Discipline, and Determination

New York City, New York Aug 11, 2025 ([IssueWire.com](https://www.issuewire.com)) - Enoch Ukpog, a dedicated retired Professor of Nursing at Anna Maria College, is continuing her commitment to education and mentorship in the field of nursing. With an extensive background in Medical/Surgical, Psychiatric, and Maternity Clinicals, Ukpog has shaped the lives of countless nursing students over her illustrious career. Now, he adds author to her impressive résumé with the release of her new book, "Joy Comes in the Morning: The Power of Drive, Discipline, and Determination," available for purchase on Amazon as both an eBook on Kindle and a paperback.

Dr. Ukpog holds a PhD and MSN, and her passion for nursing education is evident in her ongoing teaching efforts at Anna Maria College. "I love what I do," he states, emphasizing her commitment to nurturing the next generation of nurses. Her expertise in various clinical areas allows him to provide a well-rounded education that prepares students for the challenges of the healthcare industry.

In addition to her teaching, Dr. Ukpog has received numerous accolades throughout her career, including the prestigious Teacher of the Year Award in 2013 and the Award for Excellence in Teaching issued by Becker College in May 2014. These recognitions highlight her dedication to fostering an engaging and effective learning environment for her students.

"Joy Comes in the Morning" is not just a reflection of Dr. Ukpog's career but a motivational guide that draws on her life experiences and professional journey. The book emphasizes the critical qualities of drive, discipline, and determination that are essential for success in nursing and beyond. It serves as an encouragement to readers to pursue their passions relentlessly and overcome obstacles in their paths.

Dr. Ukpog's work is a testament to the impact of nursing education and the importance of perseverance. Her book aims to inspire both current and future generations to embrace the challenges of life with resilience and hope.
