

Experro Setting “New Standards” At Shoptalk Fall 2025!

Chicago, Illinois Aug 25, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Experro, the leading Gen-AI powered agentic experience platform, is exhibiting at Shoptalk Fall 2025, September 17–19 in Chicago.

Attendees can visit **Booth #H31** to explore how Experro is reimagining the future of retail eCommerce experiences through Gen AI innovation.

As part of the Shoptalk Fall 2025 agenda, Experro will present live demos designed for merchandising

teams and customer experience leaders. This will in turn help them enhance personalization, accelerate digital growth, and shape their omnichannel strategy.

With over 3,000+ retail ecosystem executives and Chicago's boldest retail innovators attending the Shoptalk Fall conference Chicago, the event promises to be 'One Home for Reimagining Retail'.

Why Visit Booth #H31 at Shoptalk Fall 2025?

Retailers and delegates can experience Experro's latest innovations firsthand, including:

- [Gen AI Search](#) that understands customer intent and search query context beautifully.
- [Conversational AI Agent](#) to decode customer intent and convert it into a sale.
- B2B Product Discovery for enterprise-grade product findability tailored to complex catalogs.
- [Merchant Intelligence dashboard](#) to gauge the merchandising performance.
- AI Browse for smarter navigation that understands customer's category preferences.

The demos will also show how the new beta feature around styling helps the shoppers '*Complete the look*' and auto-suggest styling tips to them. If this interests you, you must meet Team Experro at Booth #H31 to watch the intriguing product demos!
