

## Gleesim Expands Special 5GB eSIM Plan for 30 Days, Designed for Muslim Travelers from the UK to Medina

**Aldgate, London Aug 21, 2025 ([IssueWire.com](https://www.issuewire.com))** - Gleesim is a well-established provider of digital connectivity in the world, which has launched the extension of its eSIM service for Muslims, offering a special 5GB data package with 30 days validity, in the city of Doha. This is a plan, which has been designed to suit Muslim pilgrims who come to Saudi Arabia to perform their religious pilgrimage to the holy cities of Medina and Makkah.

As the number of UK citizens visiting and taking part in Umrah increases annually, there has been increased need to have a [reliable eSIM service](#) for Umrah candidates. The most recent initiative of Gleesim is the guarantees that travelers will stay connected with their families, access important travel apps, navigate their location, and share the best moments of the trip, and there are no inconveniences of usual sim cards and high prices in roaming.

This eSIM service for UK Muslims to Medina and beyond will bring together spiritual priorities with the modern requirements of travel. Gleesim offers the possibility of instant activation, high-speed coverage coverage, and digital safe connection that ensures pilgrims are concentrated on their trip and at the same time enjoy continuity in communication and internet access to their time spent in the new land.

The new 5GB eSIM can be bought online and instilled immediately prior to departure. Upon arrival in Saudi Arabia, the activation is automatic and it offers high-speed internet in important cities like Medina, Makkah, Jeddah and Riyadh. Such a smooth connectivity setup will also give travelers peace of mind when focusing on pilgrimage, in the absence of hassles on connectivity.

Regardless of the start time of the journey to Medina, Gleesim offers Muslim travelers reliable,

affordable, and safe connectivity at every stage of the travel.
