Jaipur, Rajasthan Sep 15, 2025 ([IssueWire.com](https://www.issuewire.com)) - *The artistic, cultural and Vastu significance of lost Indian art has made a much-deserved comeback! This time, it is the forgotten legacy of natural stone Buddha sculptures that are making a gradual yet steady resurgence into the modern homes and commercial spaces seeking a fusion of traditional spirituality with contemporary landscape design.*

There is a prevalent catchphrase that “*modern problems require modern solutions*”; but is it always the most pertinent approach? Sometimes, in order to find the best solution to the modern problems, we ought to go back to our traditional roots. The roots intertwined with our ancient spiritual philosophy, the early rules of Vastu Shastra for *dosha nivarana* and the heritage of our traditional stone craftsmanship.

The lost art of [Buddha stone statues](#) has already been revived. And thanks to the global online connectivity of the Internet that passionate art lovers from any part of India or rest of the world can make these excellent testaments of Indian stone craftsmanship an integral part of their home, garden and commercial landscape design layout. Whether there is a need to revamp the existing home décor layout, add spirituality and positivity to the premises or there is a desperate need to replace the bad Feng or Vastu with a good one. There are too many problems can now be answered with one solution in the form of natural stone Buddha idols for Vastu.

Why [Stonemart™](#) India Deserves a Special Mention in Reviving the Lost Art of Buddha Stone Craftsmanship?

On the verge of finishing two decades of voyage in the stone industry of India, Stonemart™ is an ISO 9001:2015, CE certified largest manufacturer and exporter of natural [stone buddha statues](#) in India since 2006. Converting premium quality natural marble and sandstone into Gautam Buddha statue for décor, Feng, Vastu and spirituality.

Stonemart™ offers a cutting-edge manufacturing with sublime quality texture and hand polished finishing on the surface of the Buddha. Right from small size Buddhas for console to life-size medium Buddha statues for entrance, living room, staircase nook, patio, and balcony. We are even in the field of manufacturing larger than life big Buddha sculptures for exterior landscapes including gardens, lawns, front yard, backyard and spanned commercial spaces. Our testimonials of existing clients with five star reviews and rating showcase why in every aspect of product manufacturing, packaging and final product dispatch through land, sea and air shipment to your doorstep, we undisputedly excel.

What is Making the [Buddha Sculptures in India](#) from Stonemart™ so Popular?

There are not one but many reasons! The following are some of the popular reasons due to which not just the décor critics, architects and interior designers, but even our clients found us to be the most trustworthy natural stone décor brand not just in India but South Asia.

Giving Native Indian Murtikars the Respect they Deserve!

Stonemart™ values human expressiveness and emotions in comparison to what artificial machines could accomplish as a natural stone Buddha product. The company firmly believe in the fact that what ingenuity and passion can be brought onto the surface through the chisel and hammer in the hands of the most talented *murtikars* is not possible even with the most innovative machinery. Yes, it will take patience, it will take perseverance and of course, it will take time. Yet, it is always worth the wait! We only employ native Indian sculptors on a full-time basis to help them earn their livelihood with utmost dignity and respect.

Procuring Our Own Raw Materials

Whether we speak in terms of black or , [white marble Buddha statue](#) or sandstone Buddha sculptures, we always work upon the finest blocks of premium raw material to emboss each and every texture to life. We procure our own raw materials and never rely upon third parties for our supplies. That is the reason why, we have own in-built capacity to complete any number of orders for stone Buddha statues within the committed delivery time. So, anyone can get the orders booked with complete peace of mind!

Offering the Widest Range of Stone Buddha Sculptures Online

We offer the widest collection of ready to order (and already sold) Buddha statues in all sizes like 2, 2.5 feet, 3 feet, 3.5 feet, 4 feet, 5 feet and 6 feet. Other sizes and other custom size orders are also taken. You will never find stock images or videos unlike other websites with unreliable reputation and claims. Whether you are keen to buy the idol or outdoor, for spirituality or Vastu / Feng Shui or even décor aesthetics. Shop for Buddha statue in dhyana mudra, Abhaya mudra, Anjali mudra, Vitarka mudra, Bhumisparsha mudra or Dharmachakra mudra, and others to cover all the pivotal gestures manifested by the Buddha and their personal influence on our lives in terms of Feng Shui and Vastu.

Ethical Code of Conducts Respected Worldwide

Indeed, what we manufacture and deliver is one thing, how we behave as a socially responsible brand is equally significant. We at Stonemart™ firmly believe in giving more than what we take from the society. That is why, we framed our ethical code of conducts accordingly. You will be happy to know that Stonemart™ was among the first few natural stone décor manufacturing brands from the Indian stone industry that put a blanket ban on child labor across all our working units since our inception in 2006.

All our workers are well equipped with industrial standard gloves, masks and other protective gears with due concern for their health and safety at our factory units. All our products are designed and manufactured in a way that there would be no wastage of water and electricity. Especially when it comes to our Buddha fountain products.

Our international packaging standards include the usage of recyclable materials for negligible impact on the environment. The pallets we use for the shipment of Buddha water features and idols are always prepared with second hand reusable wood to ensure that no further damage to the trees are caused due to the packaging and shipment services.

Proliferating 'Brand India' Across the Globe!

When it comes to the brand 'Made in India', Stonemart™ India is the flag bearer from the Indian stone décor industry. Our 100% 'make in India' product initiative has made our country one of the leaders of international natural stone décor market. After covering all the major metro cities, urban and sub-urban centers of country, Stonemart™ has exported the Made in India Buddha to all the major economies of the world including the American, European and Middle-Eastern markets. These include our international clientele in Dubai (UAE), California, Texas, London (United Kingdom), Japan, New Zealand, and Dublin to mention a few.

Whether the need is for the Buddha sculpture for home, garden, housewarming, console table, entrance, frontyard, backyard, apartment, hotel, resort or hospital and rehab, Stonemart™ India has been a pioneer of the Indian décor industry.

Rest assured, the traditional art of hand carved Buddha sculpture manufacturing has already been revived. And it is surely not going back into oblivion in the coming decades. We along with our dedicated patrons of authentic Indian stone art will only spread our wings in the future to make sure that this 'once lost' art will only reclaim its much-deserved glory in the contemporary home design.
