

# Independent Music Creator Ravir Scott (Ravish Kumar) Emerges as a Rising Talent from Bihar

Young Creator from Begusarai Balances Filmmaking, Music, and Blogging

## Begusarai, Bihar Jan 4, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Emerging Independent Artist Ravir Scott Gains Recognition with Debut Film and Music Releases

A new name is making waves in the world of independent cinema and music: **Ravir Scott** (real name Ravish Kumar). Hailing from Begusarai, Bihar, the young creator has carved a unique path in the creative industry by managing entire projects single-handedly — from concept to release.

### First Major Work: Lone Yet Loyal

Ravir Scott's debut film "**Lone Yet Loyal**" has attracted attention for being a **solo-driven project**, where he worked as **director, editor, music composer, and promoter** all by himself. The film highlights his multifaceted skills and has earned him recognition as a **self-made filmmaker**.

### Expanding into Music

Alongside films, Ravir has released several **independent music tracks**, which are now available on **Spotify, Apple Music, and YouTube**, reaching global listeners. His songs represent raw creativity and passion, connecting him with a steadily growing fanbase.

### Blogging & Online Presence

Apart from filmmaking and music, Ravir Scott also runs a personal blog where he shares his experiences in **indie film creation, music composition, and creative storytelling**. His insights provide motivation to aspiring artists who want to pursue independent careers.

### Achievements & Recognition

- Directed and produced Lone Yet Loyal independently
- Released multiple music tracks on global platforms
- Earned an official **IMDb credit** for his filmmaking work
- Building a strong presence on **YouTube, Instagram, and blogging platforms**

### Early Life & Journey

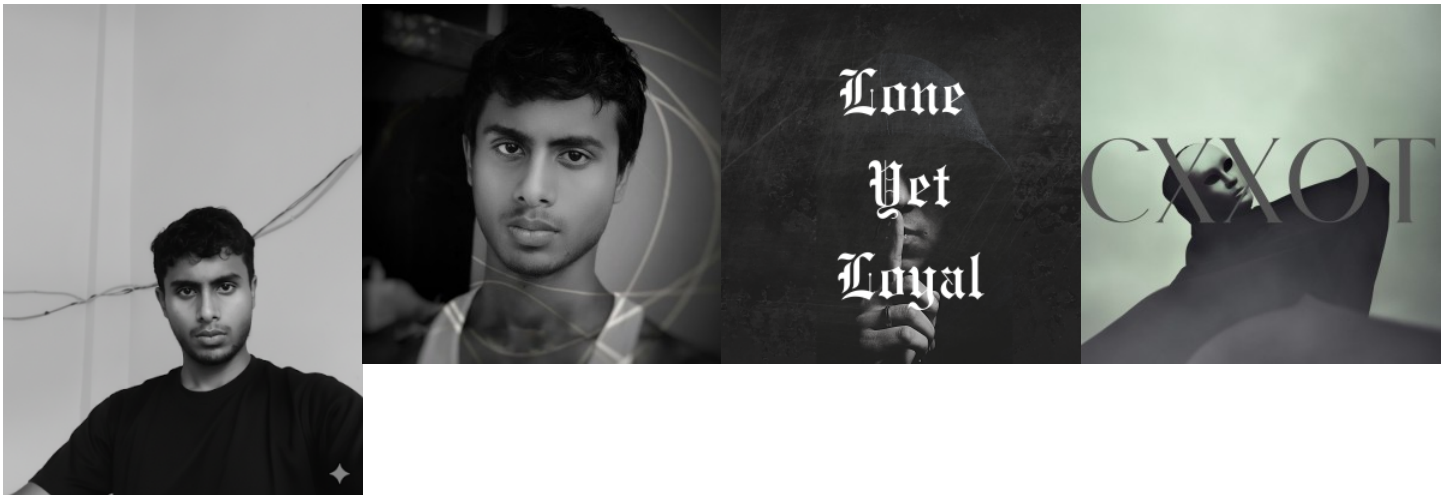

Born on **9th February 2007** in Begusarai, Bihar, Ravish Kumar (better known as Ravir Scott) grew up with a strong interest in creativity and storytelling. With no financial backing or production house support, he **taught himself filmmaking and music composition**, relying purely on determination and practice.

### Vision for the Future

Ravir's goal is to **inspire the next generation of independent creators**, showing that with focus, skill, and dedication, one individual can produce professional-level results without relying on big studios or external support.
