

International Music & Record Producer Liquid Artiste Drops “Dreams & Desires” EP – A Blend of Trap, Hip-Hop, Pop & R&B

Born in India and working across borders, Liquid Artiste establishes himself as an international music producer and beat producer with the release of Dreams & Desires EP, featuring “Champagne Heaven,” “City Lights,” “Only Gucci,” and “Bitter High.”

New York City, New York Aug 23, 2025 (Issuewire.com) - [Liquid Artiste](#), an international music

producer, record producer, and beat producer, proudly unveils his latest project, the highly anticipated **Dreams & Desires EP**. Born in New Delhi, India, and now working on projects with artists and labels across the United States, Europe, and Asia, Liquid Artiste represents the new wave of independent producers redefining the sound of **trap, hip hop, Pop, and R&B** on a global stage.

The **Dreams & Desires EP** delivers four carefully crafted tracks — *Champagne Heaven*, *City Lights*, *Only Gucci*, and *Bitter High* — each one representing a unique emotion and sonic texture. From the lavish, celebratory energy of *Champagne Heaven* to the late-night urban groove of *City Lights*, the high-fashion swagger of *Only Gucci*, and the bittersweet mood of *Bitter High*, the EP demonstrates Liquid Artiste's versatility as both a **beat maker** and a full-fledged **record producer**.

Unlike many producers who stick to a single sound, Liquid Artiste has developed a reputation for blending genres seamlessly. His background as a **trap music producer** gives his tracks undeniable energy, while his influences from hip hop, Pop, and R&B producers add depth, melody, and crossover appeal. This versatility has made him an in-demand collaborator for independent artists and international creators alike, positioning him as one of the **best beat makers of 2025**.

A key strength of Liquid Artiste lies in his ability to handle the entire creative process — from **beat production** and songwriting support to **professional mixing and mastering**. His expertise allows him to deliver radio-ready, streaming-ready tracks for artists across different genres, making him stand out as not just a **music producer in India**, but also an **international record producer** trusted for high-quality music production services worldwide.

The Dreams & Desires EP also reflects his global influences. Having collaborated virtually with talents from the U.S., UK, and Europe, Liquid Artiste channels international trends while keeping his unique identity intact. This makes his music equally appealing to fans of **Fred Again, Metro Boomin, DJ Snake, and Timbaland**, producers who inspire him and whose work set the standard for modern production.

Speaking on the release, Liquid Artiste shared:

“This EP is personal to me because it represents both my roots and my vision for the future. I was born in New Delhi, but my sound has no boundaries. Dreams & Desires is about ambition, creativity, and connection — I want listeners from Los Angeles to London to Tokyo to feel the same energy when they play it.”

With streaming platforms becoming the launchpad for new global stars, Liquid Artiste sees **Spotify's new EP Dreams & Desires** as a milestone in his journey as an independent record producer. His strategic focus on digital distribution and global collaborations positions him not only as a music producer from India but also as part of the international wave of producers shaping the future of music in 2025 and beyond.

In addition to his work as a producer, Liquid Artiste has also gained recognition for his professionalism and adaptability. His portfolio spans trap anthems, emotional R&B ballads, festival-ready Pop tracks, and hard-hitting hip hop instrumentals. This range makes him a valuable collaborator for both emerging artists seeking their first professional release and established acts looking for fresh, innovative production.

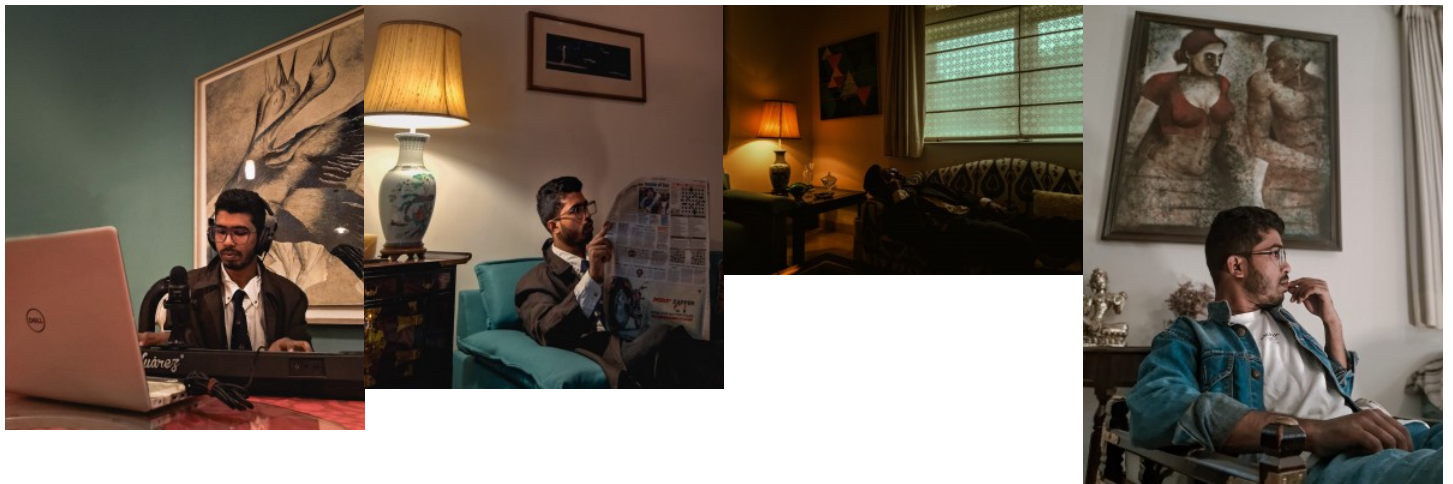

The Dreams & Desires EP is not just a project — it's a statement of intent. It showcases Liquid Artiste's growth, ambition, and commitment to excellence in **music production services worldwide**. As an

independent music producer international, he proves that talent from India can compete on the world stage, bringing fresh ideas and energy to the industry.
