

James Williams, PA-C: Experienced and Certified Physician Assistant

Championing Sports Medicine and Orthopedic Care at Fast Pace Health

New York City, New York Aug 12, 2025 ([Issuewire.com](https://www.issuewire.com)) - James "Jim" Williams, PA-C, is an accomplished Physician Assistant with nearly three decades of experience, specializing in family medicine, Soldier care, sports medicine, and outpatient orthopedics. He served in the Armed Forces for most of his career, knowing he made a difference in the life of a Soldier every day. Since joining Fast Pace Health in August 2024, he has been instrumental in promoting health and wellness for patients of

all ages in Lincoln and Sylacauga, Alabama, positively impacting the local community.

Jim's passion for sports medicine drives his commitment to delivering comprehensive outpatient orthopedic care, focusing on the prevention, diagnosis, and treatment of multiple injuries. His extensive skill set includes interpreting plain radiographs and performing splinting and casting. His ability to assess when higher-level care or surgical referrals are needed demonstrates his dedication to providing the highest standard of care. Working for Fast Pace allows him to provide care for patients who would not be able to get the care they need due to a lack of insurance.

His credentials are noteworthy; certified to perform knee arthrocentesis in Alabama, Jim is actively expanding his procedural skills through continuous education. He earned his qualifications from the esteemed Inter-Service Physician Assistant Program at the Army Academy of Health Sciences and the University of Texas Health Science Center in San Antonio.

Throughout his career, Jim has served diverse populations, both military and civilian, with unwavering dedication. He has held several leadership positions, including Clinical Director and Medical Director, where he not only managed clinical operations but also mentored and taught the next generation of healthcare providers. His experience includes being the Primary Care Provider for the Army Marksmanship Unit, supporting world-class and Olympic athletes, and collaborating with various Armed Forces programs like the Army Combatives Program, Airborne School advisor, and multiple Army readiness projects.

An active member of professional organizations like the American Academy of Physician Associates, Jim is committed to advancing the field of medicine. He is currently pursuing a Doctor of Medical Science Degree from the University of Tampa, expected in 2025, further solidifying his expertise and commitment to healthcare excellence.
