

Jerard Rice Tantalizes the Hearts of the Fans with New Album 'Love Shouldn't Cost A Thing'

Let's get ready for an exciting musical journey of R&B and Soul music with Jerard Rice, as the artists released a new album, called 'Love Shouldn't Cost A Thing'.

Webster, Massachusetts Aug 10, 2025 ([Issuewire.com](https://www.issuewire.com)) - Some musicians create music, and some of them create magic. Dynamic music artist **Jerard Rice** comes in the latter group with his musical magic, with a fusion taste. He has recently dropped an album titled '[Love Shouldn't Cost A Thing](#)', which is creating a massive buzz among the fans. This album offers a total of 10 new songs, and each of them

comes with a fine blend of musical arrangement along with intriguing lyricism. The first track from the album is 'Starz', which was released earlier and perfectly teased the album with its beautiful music composition and energetic lyricism. There is a fusion taste in the music that sounds quite exotic and perfectly complements Rice's meandering abilities.

Proceeding further, there is 'New Jack', 'Blog It', 'Petty Love', 'Juice', etc, many other tracks that showcase the dynamic aura and creative psyche of the artist. The songs carry a contemporary essence of R&B and soul music, which sounds quite hooky, groovy, and engaging. The lyrical approach in the tracks consists of a relatable subject matter that speaks of love and life. With a potential dose of romance and wisdom, it is safe to say that the title of the album is perfectly justified. There is a collaborative song in the album called 'No Brady' which is another fine example of Rice's versatile skills. This time, he has joined forces with J Muzique and did a remarkable job in churning the real essence. There is no doubt that **'Love Shouldn't Cost A Thing'** is a brilliant album project on Rice's musical journey that can put him on newer heights of success.

Jerard Rice has a unique vocal tone and skills that allow him to adapt to any kind of soundscape. He is capable of singing and rapping simultaneously, and this makes his musical approaches more melodic, enjoyable, and engaging. He is already working on new projects as he is determined to drop more songs and albums in the coming days. Follow Rice on **SoundCloud**, [YouTube](#), [Apple Music](#), [Spotify](#), and his official [website](#) to listen to his music. He is also available on [Facebook](#) and [Instagram](#).
