Dedicated to Delivering Compassionate, Patient-Centered Care While Inspiring Team Growth and Collaboration

New York City, New York Aug 18, 2025 ([IssueWire.com](https://www.issuewire.com)) - Landrith James Parker, RN, BSN, is a compassionate and skilled nursing professional who exemplifies dedication to patient care and leadership in skilled nursing and rehabilitation settings. Since March 2024, he has served as Charge Nurse at Tice Valley Post Acute, a top-rated, Medicare-certified skilled nursing facility in Walnut Creek, California, where he has made a meaningful impact on residents' well-being while fostering the professional growth of his colleagues.

At Tice Valley Post Acute, recognized for its commitment to providing high-quality care, Landrith plays a crucial role in ensuring that residents receive personalized attention in a safe and welcoming environment. "Tice Valley Post Acute has provided long and short-term care, skilled nursing, rehabilitation, and respite care in a safe and welcoming space. We offer a talented staff and state-of-the-art equipment, and practices. You'll also find amenities like private bathrooms with showers, expansive common areas, and a wide variety of activities to support the social and emotional needs of our residents," the facility states on its website.

Landrith's journey began at Las Lomas High School, culminating in a Bachelor of Arts Degree in Molecular and Cell Biology from the University of California, Berkeley in June 2009, followed by a Bachelor of Science in Nursing from San Francisco State University in December 2020. His academic achievements laid the foundation for a career marked by a passion for healthcare and a commitment to excellence.

Throughout his decade-long career, Landrith has transitioned from a Certified Nursing Assistant to his current role as Charge Nurse, demonstrating his unwavering commitment to high-quality, personalized care. He advocates for patients and fosters a supportive environment where staff can thrive. His innovative approach to collaboration has led to streamlined processes and improved compliance standards, all while educating families to empower their loved ones in their health journeys.

Landrith's dedication has not gone unnoticed. He has received numerous accolades, including Employee of the Year and multiple Employee of the Month honors. In 2025, he was recognized as a recipient of Today's Nurses Worldwide Leaders in Healthcare, highlighting his continued impact on patient outcomes and team dynamics.
