

## Maddison Scaffolding Services Ltd Expands Trusted Scaffolding Services to North London

Family-run scaffolding business brings safe, reliable access solutions to Camden, Islington, Barnet, and Haringey.

**Epsom, Surrey Aug 4, 2025 ([Issuewire.com](https://www.issuewire.com))** - Maddison Scaffolding Services Ltd has officially expanded its trusted scaffolding services to cover the North London area, providing safe, reliable, and fully compliant access solutions for residential, commercial, and construction projects.

Founded in Epsom, Maddison Scaffolding has earned a strong reputation in South West London and Surrey for its commitment to safety, professionalism, and outstanding customer service. This new expansion will allow the company to serve boroughs including Camden, Islington, Barnet, and Haringey.

"North London has been on our radar for a while," said a spokesperson for Maddison Scaffolding. "We've successfully completed several projects in the area and seen a real need for scaffolding contractors that people can trust. This expansion means we can now offer the same high standards we're known for to even more customers."

Services now available in North London include:

- Temporary roofing and weather protection
- Scaffolding for home renovations, loft conversions, and extensions
- Commercial scaffolding for construction and maintenance
- Specialist scaffolding for complex structures
- Scaffold inspections and compliance checks

The company is fully insured, follows TG20:21 guidelines, and offers competitive, no-obligation quotes with no hidden fees.
