

Mahogany Bay Resort & Beach Club Sets Sustainability Benchmark with Solar Electric Carts in Partnership with Belrays

Cheyenne, Wyoming Jan 29, 2026 ([Issuewire.com](https://www.issuewire.com)) - Mahogany Bay Resort & Beach Club Sets Sustainability Benchmark with Solar Electric Carts in Partnership with Belrays Belize

San Pedro. Ambergris Caye. Belize Mahogany Bay Resort & Beach Club, the renowned 4-star destination on Ambergris Caye, proudly announces a groundbreaking partnership with Belrays Belize, a leader in solar electric golf cart manufacturing and sustainable energy innovation. This collaboration not only positions Mahogany Bay as the first resort in Belize—and on the island of San Pedro—to adopt solar electric carts, but also redefines the standards for eco-conscious luxury throughout the region.

Mahogany Bay Resort & Beach Club Surrounded by the crystalline Caribbean, Mahogany Bay Resort & Beach Club is dedicated to providing an exceptional guest experience anchored in environmental stewardship. The resort's adoption of solar-powered golf carts, supplied by Belrays Belize, exemplifies a commitment to reducing carbon emissions and advancing a sustainable future for San Pedro and beyond. Guests will enjoy the seamless integration of luxury and sustainability, as the initiative supports preservation of the island's delicate marine and terrestrial ecosystems.

"We are deeply committed to preserving the natural beauty of Ambergris Caye and ensuring a sustainable future for our community and environment," said Richard Evanich, General Manager of Mahogany Bay Resort & Beach Club. "By adopting solar electric carts in partnership with Belrays Belize, we are taking a significant step toward reducing our environmental impact while maintaining the luxury and comfort our guests expect."

Belrays Belize & Belrays USA is recognized for pioneering sustainable energy solutions, shares Mahogany Bay's vision for a greener future. "We are thrilled to partner with Mahogany Bay Resort, a

leader in hospitality, to introduce solar electric carts to San Pedro,” said Gregory Kennedy, President of Belrays USA. “This initiative not only showcases our commitment to sustainable energy but also creates exciting opportunities to bring eco-friendly innovations to Belize. We are honored to support Mahogany Bay in leading the way for a greener future.”

Together, Mahogany Bay Resort and [Belrays Belize](#) will work alongside the San Pedro community to further sustainable practices and protect the island’s invaluable natural resources. Their partnership stands as a beacon for environmental responsibility and a cleaner, greener Belize.
