It is a golden opportunity for music artists to purchase [Spotify Promotion Services](#) at a discounted price and gain the promotional benefits that can make them viral or popular within a short duration. Each promotional package is specially designed to improve the music careers of the emerging artists by offering them organic exposure, streams, and an improved listener base.

The Tunes Club specializes in Spotify music promotion, and it can improve the careers of all kinds of music artists on Spotify, whether a singer, a rapper, or a DJ. The promotional packages work effectively for all artists as they can help to provide a popularity that has a lasting impact. The company utilizes the dynamic strategies of music promotion that include **content marketing**, **social media marketing**, and **playlist pitching services**. As a result, music artists can gain increased visibility on the web as well as the competitive platform of Spotify. There is a total of 4 different promotional packages offered by the company, and each of them is effective for the career growth of the music artists regardless of their style and genre. The company has successfully empowered many artists till now, and it strives to promote more Spotify songs in the coming days.

The first package offered by the company is the Spotify Marketing Package, which is considered to be a beginner's package for Spotify promotion. It allows promoting a single track only, which will be featured through **60+ curated playlists** on Spotify, and it helps to gain around **3000-3500 listeners** based on the genre and musical style of the artist. As a result, every artist can find more relevant listeners who would like to become long-term fans. The track is shared to 100K+ Social Media Followers with the help of the platforms, namely Facebook, X, Instagram, Pinterest, etc, to name some. Similarly, there is a Spotify Promotion Pack which helps to promote two tracks simultaneously through **90+ curated playlists**. In this case, music artists can gain up to **7000-7500 listeners** along with engagement and a Paid Press Release Distribution, which allows spreading a more authentic digital footprint.

Music artists can also find Spotify Marketing Pro Pack that helps them promote 3 three songs through **120+ curated playlists** on Spotify and help them gain around **10k to 11k listeners** along with a huge amount of web traffic and online engagement. The benefits of SEO can also be received through paid PR distribution and music blogs. Last but not least, there is the Spotify Promotion Pro Pack, which is the ultimate package for Spotify promotion. It can offer up to **14,000-15,000 listeners** and allows promoting 4 songs through **180+ curated playlists** on Spotify. Two among the four packages can be purchased on a weekly recurring basis, and now, there is a huge discount of **15% applied** to each of the packages mentioned above. The latest sale by The Tunes Club is only active from **Aug 4 to Aug 12**, and music artists on Spotify are encouraged to take complete advantage of this.
