

Med-Care Providers Expands Access to Primary Care and Telehealth Services in Las Vegas

The Villarreal Organization, Inc. announces expanded healthcare solutions through Med-Care Providers, integrating house calls, mental health, and telehealth for Medicare patients.

Las Vegas, Nevada Aug 25, 2025 ([IssueWire.com](https://www.issuewire.com)) - Med-Care Providers LLC, a healthcare organization under The Villarreal Organization, Inc., is proud to announce the expansion of its patient care services across the Las Vegas Valley. This initiative enhances access to **primary care, house calls, and telehealth solutions**, with a special focus on Medicare beneficiaries and underserved communities.

“Our mission is to make healthcare more personal, accessible, and efficient,” said Osmel Villarreal, CEO of The Villarreal Organization, Inc. “By combining traditional home visits with modern telehealth and mental health services, we ensure patients receive the care they need in the most convenient and compassionate way possible.”

Key features of the expansion include:

- **Comprehensive Primary Care** – In-person visits, preventative care, and chronic condition management.
- **Mental Health Integration** – Access to psychiatric and neurofeedback therapies.
- **Telehealth Services** – Virtual consultations for patients unable to attend in-person.
- **Home Health Partnerships** – Coordinated care with **Celebrity Home Health** and **A Peace of Mind Caregivers**.

The expansion underscores Med-Care Providers’ commitment to **bridging gaps in healthcare delivery**, particularly for seniors and patients requiring continuous, personalized medical attention.
