

M&M Signs & Awnings Expands Custom Awning Solutions Across Long Island and NYC

Long Island, New York Jan 16, 2026 ([IssueWire.com](https://www.IssueWire.com)) - M&M Signs & Awnings, a trusted leader in custom retractable awnings and signage, is delighted to announce the continued expansion of its services across Long Island and the NYC area. For nearly five decades, the family-owned company has provided bespoke shade solutions and signage for residential and commercial clients, cementing its reputation for craftsmanship, reliability, and innovation.

Since its establishment, M&M Signs & Awnings has delivered high-quality, custom-designed products tailored to the unique needs of its customers. From retractable awnings and all-season patio enclosures to outdoor dining enclosures and vibrant business signage, M&M Signs & Awnings offers solutions that combine exceptional functionality with aesthetics. The company has notably served iconic NYC landmarks, including Radio City Music Hall, JFK Airport, and the Museum of Modern Art.

"At M&M Signs & Awnings, craftsmanship and quality are more than promises. They're values we've upheld for nearly 50 years," said the owner of M&M Signs & Awnings. "From homeowners seeking

stylish shade solutions to NYC business owners upgrading their storefronts, every client gets personalized care and superior products that stand the test of time. We're proud to have earned the trust of our community and iconic landmarks alike."

M&M Signs & Awnings specializes in helping homeowners enhance their outdoor spaces with [custom residential awnings](#) and enclosures, offering shade and weather protection year-round. Commercial clients, including restaurants, retail stores, and property managers, rely on the company's expertise for [retractable awnings for businesses](#), innovative outdoor solutions, and professional signage that attracts attention while boosting brand visibility.

The benefits of M&M's products extend beyond aesthetics. Their awnings and enclosures add curb appeal, improve energy efficiency by reducing indoor heat, and provide reliable weather protection. Designed to last, all products come with a comprehensive 10-year warranty for added peace of mind.

For businesses aiming to create memorable first impressions, M&M's in-house fabrication capabilities ensure custom-made signs and awnings that meet the highest industry standards. With a full-service facility in Long Island featuring a fabric shop, metal and welding workshop, and commercial sign production space, the company can handle projects of any size and complexity.

Whether helping homeowners transform backyards into year-round havens or equipping restaurants with enclosures for outdoor dining, M&M Signs & Awnings continues to provide solutions that elevate both comfort and style. The company's dedication to innovation, paired with nearly 50 years of industry experience, ensures every project is completed to perfection.
