

Molly Olabi, NP, MSN, Elevates Maternal Care at Indianapolis Center For Maternal and Fetal Care

Expert Nurse Practitioner Specializes in High-Risk Obstetrics and Maternal Fetal Medicine

New York City, New York Aug 19, 2025 ([IssueWire.com](https://www.issuewire.com)) - The Indianapolis Center for Maternal and Fetal Care, a vital part of Ascension Medical Group St. Vincent, proudly announces the continued contributions of Molly Olabi, NP, MSN, as a dedicated Obstetrics/Gynecology Nurse Practitioner. With a robust background in high-risk obstetrics and maternal fetal medicine, Molly is committed to providing exceptional care to expectant mothers and their families.

Molly graduated with a Bachelor of Science in Nursing from Aurora University before advancing her education to earn a Master of Science in Nursing, specializing as a Family Nurse Practitioner, from Purdue University. Her academic journey laid a strong foundation for her clinical expertise, allowing her to navigate the complexities of maternal health with confidence and compassion.

In her role at the Indianapolis Center for Maternal and Fetal Care, Molly works tirelessly to support women experiencing high-risk pregnancies. Her dedication to maternal health is evident in her patient-centered approach, which emphasizes education, empowerment, and holistic care. “I believe in the power of community and the importance of educating individuals on how to care for themselves and one another,” says Molly. “My goal is to create an environment where patients feel supported and informed throughout their pregnancy journey.”

Molly attributes her success to a clear vision and a deep motivation to serve others. Her efficiency and teaching skills enhance her ability to connect with patients, ensuring they receive the highest standard of care. She takes pride in her role as an educator, helping mothers navigate the challenges of pregnancy while promoting health and wellness for both mother and baby.

The Indianapolis Center for Maternal and Fetal Care is dedicated to providing comprehensive care for women, particularly those facing high-risk pregnancies. With professionals like Molly Olabi on their team, patients can expect personalized, empathetic care that addresses their unique needs.
