Robust Manufacturing Excellence

- **Scale & Precision:** Leveraging state-of-the-art Italian equipment, Navair operates fully automated production lines capable of manufacturing up to **300 doors daily**—a mark of both capacity and craftsmanship.
- **Extensive Product Range:** Navair offers a diverse portfolio—**steel, wooden, glazed, and acoustic fire-rated doors**, alongside **fire curtains, fire-retardant paints, and clean-room solutions**.

Uncompromised Quality & Global Compliance

- **Certifications:** All products align with international norms such as **BS, EN, IS, and UL**, ensuring reliability in fire resistance, smoke control, and structural integrity.
- **Stringent Quality Assurance:** Unique to Navair's process are repetitive testing cycles every five years, reinforcing product durability and compliance.

International Reach & Sector Coverage

- **Regional Distribution:** Active presence in India supported by an extensive sales network, with growing international operations spanning Kuwait, Dubai, Saudi Arabia, Qatar, and beyond.
- **Industry Applications:** Navair's solutions protect a broad spectrum—from hospitals, airports, and IT parks to luxury hotels, shopping malls, and government infrastructure.

Strong Financials & Stability

- **Credit Rating:** In June 2025, **CARE Ratings** assigned Navair a solid **BBB; Stable** rating for long-term bank facilities and **A3+** for short-term instruments, indicating strong market confidence.
- **Growth Metrics:**
 - FY25 revenue: ₹176.20 crore (CAGR: 21% over five years)
 - Profit margin improvements: PBILDT at 12.06%, PAT at 6.65%
 - Operating income in first two months of FY26: ₹32.50 crore

- Order book: ₹107.05 crore as of May 2025

These numbers highlight both consistency and promise in Navair's operational performance.

Why Navair Continues to Lead

- **Legacy of Trust:** Over 40 years of stable leadership and innovation form the backbone of Navair's success and reputation.
- **Tailored Solutions:** Customers benefit from customizable designs—ranging from finish choices to hardware, glazing, and performance enhancements.
