

New Crime Thriller “Cold Case Investigators: The Kidnapping” Delivers Heart-Pounding Suspense and Emotional Depth

A Chilling Cold Case. A Military Family Torn Apart. A Relentless Pursuit of Justice.

Merrimack, New Hampshire Aug 20, 2025 ([IssueWire.com](https://www.issuewire.com)) - In *Cold Case Investigators: The Kidnapping*, author Merrill Vaughan immerses readers in the haunting complexities of a military cold case that spans years, jurisdictions, and emotional extremes.

When a brutal attack and the kidnapping of a two-year-old boy disrupt the peace of an active-duty Air Force Base, the top Security Police Investigators and the FBI step in. Despite their combined expertise and skills, they struggle to solve the case.

Set in military housing and the strict protocols of government investigations, this thriller follows Master Sergeant Patrick Johnson and his wife, Sherrie, as they cope with the trauma of losing their child to someone from Sherrie’s past. As years pass and leads grow cold, a determined team of Cold Case Investigators reignites the search, working together across different levels of law enforcement to find the truth.

Book reviewers describe the novel as emotionally charged and authentic, praising Vaughan’s attention to procedural detail and the psychological impact of crime. With its rich characters, shifting timelines, and strong tension, *The Kidnapping* reads like a true crime drama mixed with a high-stakes thriller.

Perfect for fans of military fiction, crime investigations, and deep storytelling, *Cold Case Investigators: The Kidnapping* is a powerful tale of loss, resilience, and the quest for justice.

Justice delayed is not justice denied.
