

NeXorbi Scientific & Industrial Research Federation: Advancing Research, Innovation & Industrial Growth

Where Academia Meets Industry: Innovation Bharat Expo 2026 to Spotlight University-Led Research and DeepTech Collaboration Collaboration Powered by NeXorbi Scientific & Industrial Research Federation | Backed by DPIIT & Startup India

Bengaluru, Karnataka Aug 3, 2025 ([IssueWire.com](https://www.issuewire.com)) - The stage is set for one of the most anticipated technology and innovation gatherings of the decade — **Innovation Bharat Expo 2026**, to be held from **January 28–30, 2026** at **Bangalore International Exhibition Centre (BIEC)**.

Powered by the NeXorbi Scientific & Industrial Research Federation (NSIRF) and supported by DPIIT and Startup India, the Expo aims to position India as a global hub for cutting-edge technologies, disruptive startups, and future-ready R&D.

With an expected footfall of over **25,000 attendees**, the expo will host:

- **300+ stalls** from startups, MSMEs, DRDO & ISRO-linked labs, and private tech players
- **100+ distinguished speakers**, including **ex-ISRO directors**, **DRDO scientists**, **retired armed forces officers**, and **corporate CXOs**
- **Global university delegations** and incubators, collaborating on **academic-industry projects**
- **Dedicated 1:1 VC Lounge**, enabling startup founders to **pitch directly to investors**
- **Strategic MoU signing sessions** for technology transfers, joint ventures, and cross-border collaborations
- **Live product launches**, **panel discussions**, and **keynotes on AI, cybersecurity, aerospace, agri-tech, and sustainability**

Innovation Bharat Expo is more than an exhibition—it's a **national platform to accelerate India's innovation economy** by enabling cross-sector dialogue, **fostering academic-industry convergence**, and **creating funding and policy opportunities** for early-stage innovators.

The event promises **unparalleled media exposure**, **B2B networking**, and a **launchpad for research-based startups** working in sectors critical to India's growth.

Noteworthy Highlights:

- **Defense-Tech Showcase** by retired Indian Air Force and Army leadership
- **SpaceTech Roundtable** with former ISRO scientists and global satellite players
- **University-Startup Research Corridors** and IP Transfer opportunities
- **AI & Cybersecurity Summit** led by deeptech founders and global advisors
