

Olivia Abbate Ford, MD: A New Force in Plastic Surgery Combines Artistry With Precision For Transformative Results

Board-Eligible Plastic Surgeon Brings Unique Blend of Art and Surgery to Enhance Patient Outcomes

New York City, New York Aug 24, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dr. Olivia Abbate Ford, a board-eligible

plastic surgeon, is redefining the standards of aesthetic and reconstructive surgery with her unique approach that combines a passion for artistry with a commitment to precision. With a background in portrait drawing and a deep understanding of the human form, Dr. Abbate Ford offers her patients not just surgical expertise but an artistic eye that ensures beautiful, natural results.

Dr. Abbate Ford's practice encompasses a wide range of services tailored to meet the diverse needs of her patients. Her expertise includes breast reconstruction, Mohs surgery for skin cancer, body contouring after childbirth and weight loss, and facial rejuvenation procedures such as facelifts, neck lifts, rhinoplasty, and blepharoplasty. "I take immense pride in restoring confidence and enhancing the quality of life for my patients," she states. "I approach every patient with the same care and respect I would offer my own family, ensuring they feel supported during critical moments."

Raised in New York, Dr. Abbate Ford developed a strong foundation in science, influenced by a family of engineers. She excelled as a student-athlete at Harvard University, where she captained the NCAA Division I Track and Field team to multiple Ivy League championships. Following her undergraduate studies in neurobiology at Harvard, she graduated cum laude from Georgetown University School of Medicine, earning induction into the prestigious Alpha Omega Alpha Honor Society.

Completing her residency in the integrated Plastic and Reconstructive Surgery program at Mass General Brigham-Harvard Medical School, Dr. Abbate Ford honed her skills over six years, serving as chief resident and chair of the National American Society of Plastic Surgeons' Resident Council. Her dedication to mentorship and leadership is evident through her involvement in various medical mentorship programs that support women in surgery.

In addition to her clinical practice, Dr. Abbate Ford is passionate about advancing the field of plastic surgery through research, with numerous publications and presentations at national conferences focusing on breast reconstruction and surgical outcomes.

Outside of her professional endeavors, Dr. Abbate Ford enjoys running and spending time with her family by the water, embodying a balanced approach to life and work.
