

PMRI HOMEO Hall Empowers Paralysis Patients Nationwide—with Online & In-Clinic Treatment Led by Dr. Md. Entekhab Alam

PMRI HOMEO Hall Revolutionizes Paralysis & Stroke Recovery Across India with Expert Homeopathic Care Led by Dr. Md. Entekhab Alam.

Under the leadership of **Dr. Md. Entekhab Alam**, MD (Hom.), B.H.M.S., Ph.D(s), PMRI HOMEO Hall is pioneering specialized homeopathic care for paralysis, stroke, and neuromuscular disorders. With decades of experience and over 400,000 patients treated, the institution marries advanced physiotherapy with evidence-based homeopathic treatment to deliver holistic healing.

Dr. Entekhab Alam, founder and Director of PMRI HOMEO Hall, is recognized as the #1 [Paralysis Treatment Specialist in West Bengal](#). A second-generation homoeopath, he holds a B.H.M.S. (2006, Burdwan University) and a Master's in Organon of Medicine (B. B. Ambedkar Bihar University). He integrates his clinical expertise with empathetic care to serve both online and in-clinic patients.

Highlights of PMRI HOMEO Hall Approach:

Dedicated Paralysis & Stroke Care: Offering focused treatment for acute flaccid paralysis, stroke sequelae, Guillain-Barré Syndrome, Parkinson's, Progressive supranuclear palsy(PSP), [tongue paralysis](#), and more.

Comprehensive In-Clinic & Online Care: Patients receive consultations via video or phone, followed by medicine delivered to their doorsteps within 3–6 days. Ongoing support is provided via follow-ups and helpline support.

Track Record of Impact: Over 400,000 patients treated over more than two decades, with active involvement in WHO reporting for acute flaccid paralysis among children.

Team of Highly Qualified Physicians: Alongside Dr. Alam, the care team includes Dr. Amiya Kumar Datta (M.B.B.S, D.H.M.S), Dr. Amlan Datta (B.H.M.S, M.D. Hom.), Dr. Ashish Biswas (B.H.M.S, M.D. Hom.), and Dr. Amarnath Bhaduri (B.H.M.S, M.D. Hom.)—all known for their dedication to integrative, personalized homeopathic healthcare.

Why PMRI HOMEO Hall™ Stands Out:

Evidence-Informed & Patient-Centered: Treatments address underlying causes and are personalized per patient's condition and constitution.

Ethics & Transparency: There are no promotional gimmicks—only proven, safe homeopathic remedies and genuine healing outcomes.

Accessible Care Mode: With both in-person treatment from the Murshidabad center and remote online consultation, PMRI HOMEO Hall supports patients across India and abroad.

A Message from Dr. Md. Entekhab Alam:

“At PMRI HOMEO Hall, our mission is to restore mobility and hope to those affected by paralysis and neurological ailments. Using scientifically guided homeopathy backed by continuous support and counseling, our patients regain independence—both physically and emotionally.”

About PMRI HOMEO Hall
