

Rhyme Assassin Unites with Stic.man of Dead Prez, Wayne Gidden, and Mcpotar for Global Hip-Hop Anthem Be Mighty

Bulawayo, Zimbabwe Aug 30, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Zimbabwean emcee **Rhyme Assassin** has released his latest single *Be Mighty*, a collaboration that bridges continents and generations of hip-hop culture. The track features **Stic.man** of the legendary group Dead Prez, soulful UK vocalist **Wayne Gidden**, and AI-powered visuals crafted by Zimbabwean creative **Mcpotar**. Together, they deliver an anthem that blends artistry, history, and modern innovation.

A Legacy of Global Collaborations

Rhyme Assassin is no stranger to international link-ups. His track *Run Em Up (Told Ya)* (2025), featuring Brooklyn icons **M.O.P.** and **Ruste Juxx**, reached **No. 1 on the Rap Attack College Radio Chart in the U.S.** Earlier, his 2023 release *Rhyme Apostles* brought together one of the largest collective lineups in hip-hop, with contributions from **Jadakiss, Canibus, Keith Murray, Chino XL, Crooked I, Prodigal Sunn**, and more.

These milestones highlight Assassin's consistent role in positioning Zimbabwean hip-hop on the global stage.

A Message Rooted in Strength and Resilience

Be Mighty is a statement of empowerment. The track opens with the declaration: "Stimulate men and women to the discovery and perception of the truth that they themselves are

makers of themselves.”

Stic.man follows with verses on vision, forgiveness, and perseverance, while Wayne Gidden’s mantra-like hook — “*Be mighty, be mighty*” — anchors the song in upliftment. Rhyme Assassin weaves history into the message, invoking figures such as **Shaka Zulu, Rosa Parks, Kunta Kinte, Mansa Musa, and Martin Luther King Jr.** to remind listeners that resilience runs deep in the human story.

Visual Storytelling Powered by AI

The accompanying video, directed by Mcpotar, uses **AI-generated visuals** to transform the lyrics into cinematic storytelling. Sequences of warriors, royalty, freedom fighters, and dreamers align with the verses, ensuring the visuals are not just decoration but an extension of the song’s message.

Why *Be Mighty* Matters

In an era where music often fades quickly, *Be Mighty* offers lasting impact. Its intentional blend of conscious rhymes, soulful delivery, and innovative visuals positions it as more than a single — it is a **cultural statement and a movement.**

From Harare to London to New York, [Be Mighty](#) affirms that Zimbabwean hip-hop is not only present in global conversations but actively shaping them.

About Rhyme Assassin

Rhyme Assassin is a Zimbabwean-born, UK-based hip-hop artist known for bridging African and international rap cultures. His music often combines social consciousness, historical depth, and sharp lyricism, with collaborations spanning some of the most respected names in global hip-hop.
