

Roderick VanSurksum, DDS: Board-Certified Oral and Maxillofacial Surgeon with Over Three Decades of Expertise

Revolutionizing Oral Surgery in the Twin Cities with Precision, Compassion, and Uncompromised Quality Care

New York City, New York Sep 25, 2025 ([Issuewire.com](https://www.issuewire.com)) - Roderick VanSurksum, DDS, a board-certified oral and maxillofacial surgeon, is the proud Owner and Operator of Facial Designs, P.A., an advanced oral surgery center dedicated to providing exceptional care to patients in the Excelsior and

Minnetonka areas. With a focus on the face, mouth, and jaws, Dr. VanSurksum and his expert team are committed to enhancing patient experiences through state-of-the-art technology, compassionate care, and a patient-centered approach.

Dr. VanSurksum is a highly qualified dental specialist who offers a comprehensive range of services, including emergency dental and facial surgery, and anesthesia administration. His clinic features a certified surgical suite that allows for same-day procedures under general anesthesia, ensuring a seamless experience akin to that of a hospital or surgical center. As one of the few dental specialists authorized to administer anesthesia, Dr. VanSurksum also employs a nurse anesthetist to enhance the safety and comfort of many surgical procedures.

Patients at Facial Designs can expect to receive a wide variety of treatments, including tooth extractions, corrective jaw surgery, and reconstructive surgery following injuries. Additionally, Dr. VanSurksum specializes in dental implants, particularly the immediate replacement of diseased teeth, allowing him to rehabilitate an entire dentition in just one day in collaboration with a prosthodontist partner. Facial Designs Minnetonka location has a full-service dental lab on site where they employ 3-D printing and milling to create the same-day crowns, bridges, and full arch teeth replacement.

Dr. VanSurksum earned his Bachelor of Science Degree from the University of Iowa in 1985, followed by his Doctor of Dental Surgery Degree from the University of Iowa College of Dentistry and Dental Clinics in 1990. He served as a commissioned officer in the U.S. Air Force. He completed a one-year residency in advanced dental training at Ehrling Bergquist Strategic Hospital. His career included practicing general dentistry in various locations across the Far East and the Middle East.

After 12 years of dedicated service in the military, Dr. VanSurksum transitioned to an oral and maxillofacial surgery residency at the Medical College of Wisconsin, graduating with distinction in 2000. He became board-certified by the American Board of Oral and Maxillofacial Surgery in 2003 and has maintained this certification ever since. Over the years, Dr. VanSurksum has built a strong reputation, practicing full-scope oral and maxillofacial surgery at CentraCare Hospital for 20 years, covering facial trauma calls, and serving on the cleft lip and palate treatment team.

His commitment to advancing the field of oral surgery is evident through his affiliations with esteemed organizations such as the American Association of Oral and Maxillofacial Surgeons and the International Association of Oral and Maxillofacial Surgeons, of which he is a Fellow. Notably, Dr. VanSurksum has contributed to global healthcare as a participating member of Health Volunteers Overseas, teaching Vietnamese oral surgeons complex orthognathic surgery techniques.

In 2020, Dr. VanSurksum made a strategic decision to sell his large multi-office practice and relocate to the Twin Cities metro area to be closer to his family. His vision for Facial Designs, P.A. emerged from a desire to create a small, patient-focused practice where quality care is paramount. The new clinic embodies a welcoming atmosphere, emphasizing patient comfort while leveraging the latest technology and superior materials for optimal treatment outcomes.

At Facial Designs, Dr. VanSurksum and his experienced team prioritize treatment efficiency and patient satisfaction. He specializes in total mouth rehabilitation through dental implants and fixed dental prosthetics, collaborating closely with referring dentists or with the in-house prosthodontist to ensure patients receive comprehensive and ongoing care. Each patient is treated with the utmost respect and attention, ensuring a personalized experience from consultation through recovery.

For individuals seeking high-quality, experienced oral surgical care, Dr. Roderick VanSurksum and

Facial Designs, P.A. stand ready to deliver unparalleled service and expertise. The clinic is designed for discerning patients who expect nothing less than the best in dental care, accomplished through cutting-edge procedures and materials.
